Events at CityKitchen run from 11:00am – 2:00pm on Tuesdays, Wednesdays & Thursdays during Term Time

Lunch is served between 12:30pm & 1:00pm

We can accommodate a maximum of 12 students onsite, with minimum of 2 school staff to supervise

CityKitchen provides a unique opportunity for student councils to really engage with the food they eat – to learn about provenance, nutrition and menu creation. They tell us what they want to eat – and we make it School Food Plan compliant.

Events are bespoke and can range from Making Pizzas, Cooking Challenges, Recipe & Menu Creation, Healthy Eating Discussions, Paddock to Plate Burgers, Baking, Homemade Puddings etc.

We can tailor a CityKitchen Visit to incorporate School Events such as Themes, Subjects, Trips or Topics currently being covered

We can also tailor events for Parents & Families, Teachers, Stakeholders, Governors etc.

Our team can support with on-site Live-Cook Demonstrations, Tastings, Student Council Engagements, Parents Evenings, Open Days

All our staff are DBS checked, and BCC vetted

Risk Assessments for Live Cooking & Food Preparation are available on request
