How to Search for a Property

1. Right Click anywhere within the document and select "Search"
2. A new dialogue box will appear, ensure that "In the current document" is selected
3. Enter the road name in the "What word or phrase would you like to search for" field
4. Select "Search"
5. A list of possible options will appear, you can click on these to see a more detailed explanation
6. If the address you are looking for is not on this list it means there are no notices on this property before 2001
