#### Resolution 1511 (2003)

Adopted by the Security Council at its 4844th meeting, on 16 October 2003

The Security Council,

Reaffirming its previous resolutions on Iraq, including resolution 1483 (2003) of 22 May 2003 and 1500 (2003) of 14 August 2003, and on threats to peace and security caused by terrorist acts, including resolution 1373 (2001) of 28 September 2001, and other relevant resolutions,

Underscoring that the sovereignty of Iraq resides in the State of Iraq, reaffirming the right of the Iraqi people freely to determine their own political future and control their own natural resources, reiterating its resolve that the day when Iraqis govern themselves must come quickly, and recognizing the importance of international support, particularly that of countries in the region, Iraq's neighbours, and regional organizations, in taking forward this process expeditiously,
