Highbury Hall

# Highbury Hall

“steeped in history”

## Congratulations.....

On your forthcoming event and thank you for considering the Highbury Hall as a possible venue for your special occasion.

Located three miles from Birmingham city centre, Highbury Hall is situated in a beautiful countryside setting. Steeped in history, Birmingham famous parliamentarian, Rt. Hon. Joseph Chamberlain MP, built the picturesque Grade II manor as a family home in 1878.

Fully restored to its original period design, catering for up to 150 guests this exquisite venue is perfect for your wedding, conference or private function; offering you a first class event with fine cuisine and a personal service tailored to your needs.

# Viewing & Booking Process

“keeping it simple”

**Step 1** Call 0121 303 2050 to check availability of your preferred date, at which time you can provisionally hold the date for two weeks, during this time you can arrange to view the venue.

**Step 2** During the two week period, DIVYA GROUP, our Asian Event organisers- are on hand to answer any questions you may have, for example catering options, room layout etc.....contact details are below.

**Step 3** Once we receive confirmation that you wish to proceed with your booking, an invoice will be raised for the room hire fee. Upon receipt of your deposit for room hire and signed conditions of booking, a confirmation will be sent to you.

**Step 4** Our Event Management Team will contact you to arrange a meeting with you to discuss all function requirements, they will assign a personal wedding planner, who will provide you with a detailed wedding plan and design.

**Step 5** Your personal planner will discuss all your menu requirements, arrange a food tasting session if required, help with your venue decorations, plan your room layouts and even help manage your budget.

**Step 6** Finally you will receive a detailed document of all the elements of your function, the planner stays in contact leading up to the function and will be present on the day of the event to ensure it runs smoothly.
