1) Would you like to continue accessing services at the Children's Centre?
Yes No No
This is after Some Services were reduced?
2) How would it affect you if some of the services were reduced?
I have norbing with chirdren, but
I realy enjoy working with 24 year old children
because of the fred back which you can get from them
However, because of time which I have had to Agend
on the Internet and on the telephone in an enderour
to receive the money (which goes back months) which
Down me for looking after them, I am not at all
Sure that I want to take any NEF children
again. The best of it is, I have to be an
accredited minder (Involving a lot of extra work)
Now does that make sense? Believe in CHILDREN

from childminder who has

3) What difference has the Children's Centre made to you and your family?

The children centres have made a great

Seal of difference to a great many lives.

It too given the momes a shoulder to lean

on, and the dild, a loving extension to

seein home, respect for themselves, a confidence
in what they do.

If you reduce the services further, it will be the most vanerable part of society which will suffer. The old, disabled, it seople ond distant. If they never your own family, would you see them go without? a reduction in services would have a vein serious dominor effect.

1) Would you like to continue accessing services at the Children's Centre?
Yes No
2) How would it affect you if some of the services were reduced?
1 think having a support service can
only be a good thing. Families need
help and support to ensure correct and
Positive Parenting. Howing a childrens
Centre local allows me to direct
Parents to this support.

3) What difference has the Children's Centre made to you and your family?

My 22 year old Son attends a chicken cente nursery. I case the Purpose but Facility, hearistic approach and the free play ethic

1) Would you like to continue accessing services at the Children's Centre?  Yes No   No   No   No   No   No   No   No
2) How would it affect you if some of the services were reduced?
would not have the appartunity to bring my baby to such a
good group where she learns to Interact with other children,
s a large schedien of stimulation, & which provides
upport for me as a new mother.

3) What difference has the Children's Centre made to you and your family?

A place for me to take my body each week which helps me get out of the house & helps my body develop. The centre has brilliant staff who are brilliant, with both adults of children.

The Senson room is amazing of such a brilliant facility for children & bables.
