

Planning Birmingham's Future and Budget Consultation

You are invited to join us on **Monday 9th December 2013**

Time: **10:00am – 2:00pm**

Venue: **The Library of Birmingham**

The unprecedented scale of government cuts means we must work together to find alternative ways of doing things.

Following the launch of the Standing Up For Birmingham campaign and as part of the formal budget consultation, we want you to bring your ideas about:

How communities, local groups and organisations already deliver services differently.

How can we build on the wealth of existing community activity in Birmingham?

How can we encourage and support more community activity?

What are the challenges?

What needs to happen?

This event will form part of a series of discussions on the constructive ways we can work together. There will be no set agenda for these sessions. Instead we will work together to shape the event based on suggestions from people attending.
