**Guidance:** High ethical standards, along with open and transparent arrangements, are essential to ensure integrity of public officials. Accordingly, gifts and/or hospitality must be discussed with your line manager or Chief Officer before any are accepted. If a decision is made to accept the same, this form must be completed and delivered to your Chief Officer for the Departmental Register within 7 days of the offer of the gift or hospitality.

This form is effective from 1 September 2008, as is the updated guidance issued by the Monitoring Officer, by e-mail to CMT Chief Officers, on 5<sup>th</sup> August 2008. There are no financial limits to gift or hospitality, although a small diary, pen - or similar item - or reasonably small amounts of refreshment at official meetings do not need to be declared.

If any hospitality is provided at an official function of the City Council, there will be no need to declare any such hospitality in this Register. This clarification also applies to any official function of the City Council that may have received or is the subject of sponsorship from an organisation external to the City Council.

If you are in any doubt over any gift or hospitality, please do not hesitate to contact the Monitoring Officer for advice. Corruption and bribery are criminal offences and the Council will not hesitate to refer the same to the Police for prosecution.

It is permissible for these Departmental Registers to include declarations of pecuniary (or other) interests of employees (i.e. any other employee contracts of employment or for services), although it is more desirable for such matters to be recorded on the employee's personnel file.
