Dear Ms Farr

Birmingham City Council (Perry Barr: Commonwealth Games Athletes Village and Legacy) Compulsory Purchase Order 2018
Statement of Support from West Midlands Combined Authority

Birmingham City Council (BCC) and the West Midlands Combined Authority (WMCA) have been working together for a number of years, and continue to do so, in order to progress the regeneration of Perry Barr. The regeneration will help deliver the Athlete’s village for the 2022 Commonwealth Games. The legacy for the Games will include the provision of residential housing and the required infrastructure needed to support the residential housing.

The acquisition of land and rights within the CPO area is necessary for the provision of the transport infrastructure and for the development of the Athlete’s village and the subsequent residential accommodation in the Perry Barr area.

These schemes are necessary to support both the staging of the Birmingham 2022 Commonwealth Games and, importantly, the creation of a successful legacy with the infrastructure improvements supporting the continued regeneration and growth of the Perry Barr area.

Yours sincerely

Gareth Bradford
Director of Housing & Regeneration
