Pastoral Care

Student Welfare
Student welfare is supported through vertical tutoring and the house system, both of which enable students to develop positive relationships with their peers and with students from other year groups in school. Students are placed into one of six houses. Each house is led by a pastoral team consisting of an Assistant Headteacher, Head of House, and a non-teaching House Pastoral Manager.

There are seven tutor groups in each house and each tutor group is made up of students from Year 7 through to Year 11. Although sixth form students do participate in house activities, they are placed in separate Year 12 and Year 13 tutor groups. A wider team of pastoral staff are on hand to provide more personalised support for students who are struggling with their studies or who are facing challenges outside of school. It is our intention to provide early help and support to our students and their families to ensure that all barriers to learning are removed, enabling our students to achieve their very best.

Celebrating Success
Students Excellence, Character & Scholarship is celebrated as we believe it is important to promote an ethos of success. We celebrate all successes through our Mosette rewards system. Students have the opportunity to earn awards through demonstrating excellent attitudes to learning (Scholarship) and positive conduct (Character).

Our rewards are broken up into short, medium and long term celebrations. Every week students are acknowledged and praised during house assemblies and awarded Mosettes and postcards home. For consistent excellence over each half term we promote students through our success posters around our school site and via termly awards assemblies. As long term rewards each term students aspire to earn places on our Gold, Silver and Bronze rewards trips where they will gain new cultural experiences. We also have two awards evenings during the year for KS3 and KS5 awards where students can become a part of the school’s history.

The six houses of Moseley also compete for our four house cups for Attendance, Punctuality, Conduct and Attitude to learning. These are presented to the house student leadership teams each half term by the head teacher and cups are displayed in our main hall.

Student Conduct and Attitudes to Learning
Students are aware of the clear expectations regarding their conduct in and outside of school and we have an established system of rewards and sanctions to support behaviour. With support from parents, we work in partnership to instil the positive values of respect and compassion into our students so that they conduct themselves as excellent ambassadors for the school and the community. Appropriate guidance and support is available for students who require additional help to maintain a high standard of conduct.

Students are provided with regular opportunities to develop positive attitudes to learning in order to secure excellent progress and conduct in lessons. Our focus on Attitudes to Learning is based around helping students to develop the following attributes: passion for learning, focus, initiative, leadership, resilience, reflection and readiness to learn.
Support for Learning

We believe that every member of Team Moseley has a key role to play in creating an inclusive learning community and promoting pride in scholarship. All students can become successful, independent learners able to integrate effectively into society as responsible citizens, confident throughout their lives in their ability to learn. At Moseley School and Sixth Form student safety and well-being are paramount. We are committed to ensuring that no student is left behind or feels that they are at a disadvantage to their peers and we are able to create individual support plans to meet the needs of every student. All children are treated equally with respect and expectations are high to enable all to achieve or exceed their potential.

SEND/EAL

All teachers are responsible for ensuring that all students, in all their classes, including those with SEND or gaps in their learning are accessing the curriculum and making measurable progress. Our SEND (Special Educational Needs or Disability), Literacy and EAL (English as an Additional Language) teams sit at the heart of our school improvement plan and provide excellent support to students, families and carers to remove barriers to learning. Through close relationships with the pastoral and curriculum teams, we are able to make provision for a wide range of needs. Students are identified for targeted interventions, including EAL, literacy and numeracy ‘catch up’ sessions. These are delivered by our team of specialist graduate coaches during the school day and after school in enrichment clubs. The EAL team lead, manage and work collaboratively with mainstream teachers and graduate progress coaches to plan and deliver effective English Language support to students with EAL, including those who are International Newly Arrived. Their expertise enables students to accelerate their acquisition of English facilitating their access to a broad and balanced curriculum. Occasionally these students have SEND needs too and we work collaboratively across teams to secure the most appropriate provision.

Assessment and Specialist Provision

We recognise that all students may require support at some stage in their education whether it is social, emotional, behavioural or academic. The views, wishes and experiences of students, parents and staff are integral to the planning and review of the support we allocate to our students. For students with pre-identified SEND or literacy needs, we scrutinise all progress data following every assessment point. For students with high-focus SEND needs we also use a range of assessments, in addition to requesting additional expertise from external agencies. For students who require additional support to improve their literacy skills a team of graduate Literacy Coaches work with individuals and small groups. Focused interventions from the Literacy team enable students to make rapid progress and enjoy success in class and examinations.

For students arriving with English as an Additional Language, a comprehensive programme of support is available to meet the individual needs of students. This ranges from an intensive English induction course, to short term language lessons all of which are designed to allow students full access to the curriculum as quickly as possible.

We also offer a large number of extra-curricular activities and clubs at lunch times and before and after school.

Quality First Teaching and Learning

In addition to support from the SEND, Literacy and EAL teams, teachers at Moseley School and Sixth Form are fully committed to maximising inclusion by designing and using teaching methods and resources that provide challenge for all. The key characteristics of Quality First Teaching and Learning are: highly focused lesson design with sharp objectives and outcomes; high demands of student engagement with their learning; high levels of interaction for all students; appropriate use of teacher questioning, modelling and explaining; an emphasis on learning through dialogue, with regular opportunities for students to talk both individually and in groups; regular use of praise to motivate and regular professional training opportunities for staff. Our superb, stimulating learning environments are accessible and fully resourced with state of the art ICT equipment.
Extra-curricular opportunities

At Moseley School and Sixth Form we believe in excellence in character and scholarship. We provide our students with opportunities to develop their character through many extra-curricular activities.

Moseley School and Sixth Form is a Silver: Rights Aware School. We aim to be a school where children’s rights are at the heart of our ethos and culture, to improve well-being and to develop every child’s talents and abilities to their full potential. Both staff and students will learn about their rights and put them into practice every day. By learning about their rights our students will understand the importance of respecting the rights of others. There are many opportunities for our Rights Respecting Student Leaders to shape the development of our school.

There are many ways for students to extend their learning as well as exploring other interests. STEM Club, Debate Mate, International Club and Games Clubs are just a small sample of wider opportunities available.

We also have many sports clubs for students to try out new sports, as well as representing the school in competitive fixtures. Students also have the opportunity to watch live sports events. Groups have recently been to Edgbaston to watch England play cricket, the NIA to watch the National Basketball Finals, the British Gymnastics Championship and Edgbaston Tennis Club to watch the AEGON tennis classic, which is the warm up event for Wimbledon.

In 2018 our school production of ‘Fantastic Mr Fox’ by Roald Dahl, achieved local acclaim and awards were achieved for our 2017 and 2016 productions of ‘The Witches’ and ‘Our Day Out’. There are regular opportunities for students to perform music and drama throughout the year.

Our Moseley Edge Programme is based on the key skills of leadership, organisation, resilience, initiative and communication. At Moseley School and Sixth Form, students will complete three levels of the Edge Award. In Key Stage 3 they will complete the Apprentice Level, at Key Stage 4 they will complete the Graduate Level and in Key Stage 5 they will complete the Master Level.

Students select challenges that they can complete at home, in school time, by attending extra-curricular activities or in the local community. The aim of Moseley Edge is to inspire our youngsters to be confident in demonstrating their leadership, organisation, resilience, initiative and communication in a variety of different situations and therefore having the edge over other students in the local area when applying for universities and further employment.

In Year 7 and 8 the Junior Award Scheme for Schools (JASS) is a progressive learning programme for young people; a key aim has been to meet the challenges of the transition from primary to secondary. JASS develops the whole individual by offering recognition in four key areas – regular physical activity (Get Active, Stay Active), exploring a personal interest (My Interests), working for the good of the community or the environment (Me and My World) and completing an outdoor activity or challenge (Adventure) and is designed so that participants move from Bronze, to Silver and then to Gold with increasing levels of commitment, learning, and challenge.

The prestigious Duke of Edinburgh’s Award is recognised by universities and employers for its emphasis on character building. Students from Year 9 onwards can start training and preparing for a bronze, silver and ultimately a gold award. Planning and organisation are essential but resilience and leadership are also developed through the demands of the programme:

- Volunteering: helping others.
- Physical: improving in an area of sport, dance or fitness activities.
- Skills: developing practical and social skills and personal interests.

Expedition: planning, training for and completion of an adventurous journey in the UK or abroad.

At Moseley School and Sixth Form, we are committed to safeguarding and to promoting the welfare of our students inspiring excellence in character and scholarship.
