

## Determined Admission Numbers – September 2020

This document is a record of Published Admission Numbers (PANs) for Academies, Free Schools, Foundation Schools and Voluntary Aided Schools. Note - Since the consultation, three community schools have converted to an academy and this is denoted in the notes. In addition, a new free school has received approval to open through the LA presumption route so is captured in the following information.

The following total number of places across our Academies, Free Schools, Foundation Schools and Voluntary Aided Schools are as follows:

<b>Intake Year</b>	<b>Sum of PAN 2019</b>	<b>Sum of PAN 2020</b>
Reception	9805	9825
Year 3	735	735
Year 7	12193	12378
Year 10	345	345
<b>Grand Total</b>	<b>23078</b>	<b>23283</b>

Due to the continued changes in Birmingham's school population as a result of fluctuating birth rates and increased levels of secondary demand, we (the Local Authority) continue to engage with a number of schools to discuss proposed changes to PANs. Any proposed changes to admission numbers are to be consulted on as required in accordance with due guidance.

Note: A PAN figure for a school does not include places reserved for pupils with a statement of Special Educational Needs (SEN) or an Education, Health and Care Plan (EHCP). Reserved places are admitted in addition to the PAN. Admission to these reserved places is coordinated through a referral process by Birmingham City Council Special Educational Needs, Assessment and Review service (SENAR). For a full list of schools offering Resource Base provision please see: [Schools with Resource Bases](#).
