Dear Andy,

RE: Submission of the Birmingham City Council Community Infrastructure Levy Charging Schedule.

I have pleasure in submitting the CIL Charging Schedule for examination. Alongside the Charging Schedule itself, we are also submitting the evidence base and consultation reports that we would like to present to the Inspector for their consideration.

An index of the evidence base is enclosed, and all documents are labelled and cross referenced with that index.

For your information and ease of reference, the City Council has appointed Ian Kemp as the Programme Officer to handle the Examination, and he can be contacted at:

Mr. Ian Kemp

The Council's preference is for the Examination to be dealt with through a process of written representations.

I trust that you find this satisfactory, but should you wish to discuss anything further, please contact myself or Hayley Anderson (Hayley.anderson@birmingham.gov.uk, 0121 303 4820), or the Programme Officer, Ian Kemp.

Yours sincerely,
