Dear Colleague,

I would like to take this opportunity to warmly welcome you to Oasis Community Learning (OCL). As the CEO of OCL, I am passionate and proud of our family of academies.

It is our vision to create Exceptional Education at the Heart of the Community. Through our Hub strategy we are committed to serve the most disadvantaged communities across the country. We want to build the character and competence of every one of our young people so we can seek to transform the communities we serve.

Over the last few years Oasis Community Learning has made rapid progress, with our academies moving to 81% Good or better. This is a great time to join the OCL family. As Regional Director you will secure great standards of education and develop capacity within this growing region of academies.

We need colleagues who have the necessary complimentary expertise to line manage and develop leaders and who understand and can enable the development of outstanding practice. 79% of our academies have joined OCL as sponsored academies where the predecessor schools had been failing in local authority care for many years. So If you want to join our Trust, it is vital that you have an ambitious growth mind set and believe that our children can achieve anything.

It is a privilege to serve our communities so we need the very best educational leaders we can provide…. Will this be you?

I look forward to meeting you if you are successful in being shortlisted for one of these exciting posts. Be part of something very special – Oasis Community Learning.

Very best wishes

John Murphy

About Oasis

For over a decade Oasis Community Learning has been helping children and young people reach and realise their potential.

Born out of the Oasis global charity, previously established in 1985 by Rev. Steve Chalke MBE, our first academy opened in 2007. It was Steve’s vision to open a school that was inclusive of all and provided opportunity for the whole community. Since then we have grown as a family into 52 academies spread across the UK, each part of a developing community Hub. We are proud to be one of the largest Multi-academy Trusts in the UK.

We know them to be places of great potential and are committed to their continual positive transformation.

This journey is made possible by the outstanding people who work for us; leaders with vision, determination and drive to raise standards. We are securing better education across the group and closing the gap for our disadvantaged students every day through exceptional teaching and support. Since 2014 our sustained improvement has seen the percentage of Ofsted inspected Oasis academies attaining ‘Good’ or better rise from 30% to 81%.
