© Crown Copyright and database rights 2018 Ordnance Survey 100021328

Ladywood ward is located in the west of the city and contains the majority of Birmingham city centre. It has a population of 20,250 making it the 8th most populous ward in the city.

The ward has a very high proportion of residents aged 18-44 due to growth in city living attracting a high member of young professional into the area.

Ladywood is mid ranking for deprivation as it contains some established inner city estates but average income levels are above the average for the city. Resident employment rates and claimant count unemployment levels are similar to the city average.
