

Development Management in Birmingham Examination

Birmingham City Council Hearing Statement

Matter 2: Compliance with the Birmingham Development Plan

October 2020

Q19. Have the overall strategic aims and objectives of the Birmingham Development Plan been complied with?

19.1 Yes. The DMB is consistent with the strategic aims and objectives of the Birmingham Development Plan (BDP). See Section 1.7 of the Publication version (Regulation 19) (CSD3). Each of the DMB policies links with and supports the delivery of a BDP policy.

Q20. Does the Plan make it clear, as required by Part 4, paragraph 8(5) of the Local Plan Regulations, which parts of the Birmingham Unitary Development Plan it will supersede?

20.1 Yes. Appendix 3 'Planning policies to be superseded by the Development Management in Birmingham DPD' within the Publication version (Regulation 19) (CSD3) makes clear which parts of the saved Birmingham Unitary Development Plan 2005 will be superseded. A policy replacement schedule (EBD87) has also been submitted alongside the plan.
