

## **SCHEDULE 12**

### **Mobilisation**

## **SCHEDULE 12**

### **Mobilisation**

#### **Part 1**

##### **Conditions to Service Commencement**

1. Prior to Service Commencement, the Service Provider shall have:
  - 1.1 established the Service Provider's Head Office within the Project Area;
  - 1.2 appointed the Core Management Staff and notified the Authority of the same;
  - 1.3 served the Notice of Election required by clause 27.2.3 (*CDM Regulations*) of this Contract;
  - 1.4 Not Used;
  - 1.5 Not Used;
  - 1.6 appointed those two (2) persons who are to be the representatives of the Service Provider on the Network Board and notified the Authority of the same;
  - 1.7 Not Used;
  - 1.8 Not used;
  - 1.9 obtained a letter from the Service Provider's insurance brokers addressed to the Authority stating that all the Required Insurances are in full force and effect, together with certified copies of the relevant cover notes; and
  - 1.10 obtained the insurance broker's letter of undertaking, substantially in the form set out in part 3 of schedule 6 (*Insurance*).

## **SCHEDULE 12**

### **Mobilisation**

#### **Part 2**

##### **Mobilisation Plan**

The Mobilisation Plan is set out in Method Statement 1.

## **SCHEDULE 12**

### **Mobilisation**

#### **Part 3**

##### **Project Assets**

#### **1. BASIS OF SALE**

- 1.1 The Authority shall sell and the Service Provider shall purchase the Project Assets in accordance with the terms of this part 3 of schedule 12 (*Mobilisation*), which shall govern such sale to the exclusion of any other terms.
- 1.2 An Authority Party is not authorised to make any representations concerning the Project Assets, unless confirmed by the Authority in writing. In purchasing the Project Assets, the Service Provider acknowledges that it does not rely on any such representations which are not so confirmed, but nothing in this part 3 of schedule 12 (*Mobilisation*) affects the liability of either Party for fraudulent misrepresentation.
- 1.3 Any advice or recommendation given by the Authority or an Authority Party to the Service Provider, a Service Provider Party or the employees or agents of the same as to the storage, application and/or use of the Project Assets is followed or acted on entirely at the Service Provider's own risk, and the Authority shall not be liable for any such advice or recommendation.
- 1.4 For the avoidance of doubt, no breach by the Authority of its obligations in this part 3 of schedule 12 (*Mobilisation*) shall give rise to an event of Authority Default.

#### **2. SPECIFICATION AND SELECTION**

##### **2.1 Description and Purchase Price per Unit**

The description and purchase price per unit of each of the Project Assets shall be as set out in appendix A to this part 3 of schedule 12 (*Mobilisation*).

##### **2.2 Group A Vehicles**

- 2.2.1 The Service Provider shall purchase all Group A Vehicles which are listed by the Authority in Appendix A Table 1 Group A Vehicles pursuant to this part 3 of schedule 12 (*Mobilisation*).
- 2.2.2 The Authority undertakes to the Service Provider that all Group A Vehicles purchased by the Service Provider pursuant to this part 3 of schedule 12 (*Mobilisation*) shall be in good working order on the Service Commencement Date.
- 2.2.3 The Authority and the Service Provider shall undertake a joint inspection of all Group A Vehicles within ten (10) Business Days of the Service Commencement Date.
- 2.2.4 Unless the Service Provider gives notice in writing to the Authority within fifteen (15) Business Days of the Service Commencement Date providing full particulars of any Group A Vehicle which in its opinion is not in good working order then any Group A Vehicle that is not the subject of such notice shall be deemed to have been in good working order on the Service Commencement Date.
- 2.2.5 If the Authority within ten (10) Business Days of receipt of the Service Provider's notice under paragraph 2.2.4 of this part 3 of schedule 12 (*Mobilisation*) disputes the particulars in the Service Provider's notice:
  - 2.2.5.1 the Authority shall issue a written notice to the Service Provider setting out the particulars of the dispute; and
  - 2.2.5.2 specifying that the Dispute Resolution procedure shall apply.
- 2.2.6 If on the Service Commencement Date the aggregate number of Group A Vehicles available for purchase is less than the number of Group A Vehicles set out in table 1 of appendix A to this part 3 of schedule 12 (*Mobilisation*) whether as a result of any Group A Vehicle ceasing to be available (notwithstanding whether any such Group A Vehicle has subsequently become available) or not being in good working order or being the subject of a dispute under paragraph 2.2.5, the Service Provider shall not be obliged to purchase on the Service Commencement Date such Group A Vehicles that

are unavailable, not in good working order or subject to a dispute under paragraph 2.2.5 and shall be entitled to be compensated as follows:

2.2.6.1 where a Group A Vehicle is not in good working order then the Service Provider shall be entitled to be paid the hire cost of a replacement vehicle by the Authority during the period of unavailability together with its reasonable costs in arranging such a replacement vehicle; and

2.2.6.2 where the Group A Vehicle is not available for any other reason the Service Provider shall be entitled to a Compensation Event in accordance with clause 33.2 (*Compensation Events*) provided that in the calculation of any Estimated Change in Project Costs and/or loss of revenue under clause 33.2.2 (*Compensation Events*) proper account shall be taken of the Service Provider not paying the price for that Group A Vehicle as specified in table 1 of appendix A to this part 3 of schedule 12 (*Mobilisation*).

### 2.3 Selection of Group B Vehicles

- 2.3.1 The Service Provider shall give the Authority written notice within one (1) Month of the date of this Contract of the Group B Vehicles that it shall purchase from the Authority on the terms set out in this part 3 of schedule 12 (*Mobilisation*).
- 2.3.2 The Authority does not warrant that the Group B Vehicles will be in good working order on the Service Commencement Date.
- 2.3.3 The Authority shall give the Service Provider written notice within five (5) Business Days of it becoming aware that any of the Group B Vehicles which include gritters will be unavailable on the Service Commencement Date.
- 2.3.4 If on the Service Commencement Date the aggregate number of Group B Vehicles which include gritters available for purchase by the Service Provider is less than the number indicated by the Service Provider in its notice under paragraph 2.3.1 of this part 3 of schedule 12 (*Mobilisation*) by more than five (5) where a notice has been given in accordance with paragraph 2.3.3 of this

part 3 of schedule 12 (*Mobilisation*) the Service Provider shall be entitled to be compensated as follows:

2.3.4.1 where the Authority has hired a replacement gritter from a vehicle hiring company and the Service Provider is able to take over the hire of such gritter from such vehicle hiring company from the Service Commencement Date the Service Provider shall be entitled to be paid the hire cost of such replacement gritter until the expiry of the current gritting season;

2.3.4.2 where the Authority is unable to make an arrangement for the Service Provider to have a replacement gritter as referred to in paragraph 2.3.4.1 of this part 3 of schedule 12 (*Mobilisation*) the Service Provider shall be entitled to a Compensation Event in accordance with clause 33.2 (*Compensation Events*).

#### **2.4 Inspection of the Group A Vehicles, Group B Vehicles and UTC Equipment**

The Service Provider shall be entitled, upon giving reasonable written notice to the Authority, to inspect:

- 2.4.1 the Group A Vehicles and the Group B Vehicles at any time during the Mobilisation Period at the Depot (or such other location as the Authority may specify to the Service Provider); and
- 2.4.2 the UTC Equipment at the UTC Centre at any time during the Mobilisation Period.

#### **2.5 Unavailability of vehicles**

If, at any time after the dates on which:

- 2.4.3 the Authority has notified the Service Provider of which Group A Vehicles are available for sale in accordance with paragraph 2.2 of this part 3 of schedule 12 (*Mobilisation*); and
- 2.4.4 the Service Provider has notified the Authority of which Group B Vehicles it shall purchase in accordance with paragraph 2.3 of this part 3 of schedule 12 (*Mobilisation*),

such vehicles cease to be available for sale prior to the Planned Service Commencement Date, the Authority's Representative shall notify the Service Provider in writing of the same and the Service Provider shall not be obligated to purchase such vehicles should they subsequently become available on the Service Commencement Date.

## 2.5 Stock Levels

- 2.5.1 The Service Provider and the Authority shall jointly survey the Depot Stock ("Joint Stock Survey") on the date that is fifteen (15) Business Days prior to the Planned Service Commencement Date at the Depot (or such other location as the Authority may specify to the Service Provider) in order for the Service Provider to be afforded advance notice of the quantities of Depot Stock that the Service Provider is to purchase in accordance with this part 3 of schedule 12 (*Mobilisation*).
- 2.5.2 If the Service Provider fails to attend the Joint Stock Survey in accordance with paragraph 2.5.1 then the Authority shall, no later than ten (10) Business Days prior to the Planned Service Commencement Date, give written notice of the quantity of Depot Stock on a per unit basis to be purchased by the Service Provider on the Service Commencement Date and the Service Provider shall not be entitled to dispute the contents of such notice.
- 2.5.3 The Service Provider shall purchase all Depot Stock in the possession of the Authority at the Service Commencement Date for the price calculated in accordance with paragraph 3.2.3 of this part 3 of schedule 12 (*Mobilisation*).
- 2.5.4 If the quantity of Depot Stock purchased by the Service Provider on the Service Commencement Date exceeds or is less than the amount of Depot Stock identified by the Joint Stock Survey or the amount notified by the Authority in accordance with paragraph 2.5.2 of this part 3 of schedule 12 (*Mobilisation*) then the Authority shall be entitled to invoice the Service Provider for the price in respect of all such purchased Depot Stock calculated in accordance with paragraph 3.2.3 of this part 3 of schedule 12 (*Mobilisation*).

### **3. CONDITIONS OF SALE**

**3.1** All warranties and conditions or other terms implied by Law are excluded to the fullest extent permitted by Law in respect of the Project Assets.

#### **3.2 Price**

##### **3.2.1 Group A Vehicles**

The price of each Group A Vehicle purchased by the Service Provider in accordance with this part 3 of schedule 12 (*Mobilisation*) shall be the price specified for such Group A Vehicle in the column headed "price payable to the Authority" in table 1 of appendix A to this part 3 of schedule 12 (*Mobilisation*).

##### **3.2.2 Group B Vehicles, Authority Grit Bins, UTC Equipment, Depot Plant, Sign Shop Equipment**

The price of each Group B Vehicle, each Authority Grit Bin, each item of UTC Equipment, each item of Depot Plant and each item of Sign Shop Equipment purchased by the Service Provider in accordance with this part 3 of schedule 12 (*Mobilisation*) shall be one (1) pence.

##### **3.2.3 Depot Stock**

The price for all Depot Stock purchased by the Service Provider in accordance with this part 3 of schedule 12 (*Mobilisation*) shall be calculated in accordance with the following formula:

[REDACTED]

Where:

[REDACTED]

[REDACTED]

PP is the purchase price of each unit of the relevant type of Depot Stock paid by the Authority as set out in the column headed "Purchase Price per Unit" in Table 3 of Appendix A to this part 3 of schedule 12 (*Mobilisation*) multiplied by [REDACTED]

**X** is the number of units of the relevant type of Depot Stock purchased by the Service Provider in accordance with this part 3 of schedule 12 (*Mobilisation*).

#### **3.2.4 Sign Shop Stock**

The price for all Sign Shop Stock purchased by the Service Provider in accordance with this part 3 of schedule 12 (*Mobilisation*) shall be calculated in accordance with the following formula:

[REDACTED]

Where:

[REDACTED]

[REDACTED]

**PP** is the purchase price of each unit of the relevant type of Sign Shop Stock paid by the Authority as set out in the column headed "Purchase Price per Unit" in table 5 of appendix A to this part 3 of schedule 12 (*Mobilisation*)

[REDACTED];

**X** is the number of units of the relevant type of Sign Shop Stock purchased by the Service Provider in accordance with this part 3 of schedule 12 (*Mobilisation*).

#### **3.2.5 Direct Stock**

There is no purchase price to be paid by the Service Provider to the Authority for Direct Stock. The Service Provider shall include the estimated price identified in the column headed "estimated price each" in table 6 of appendix A to this part 3 of Schedule 12 (*Mobilisation*) in its Claim against a Third Party where Non Standard Street Lighting is damaged by a Third Party and such Non Standard Street Lighting requires maintenance or replacement.

#### **3.2.6 VAT**

The prices calculated in accordance with this paragraph 3.2 (*Price*) of schedule 12 (*Mobilisation*) are exclusive of any applicable VAT payable by the Service Provider.

### **3.3 Payment**

- 3.3.1 The Authority shall invoice the Service Provider for the total price of all Project Assets purchased by the Service Provider in accordance with this part 3 of schedule 12 (*Mobilisation*) within three (3) Business Days of the Service Commencement Date.
- 3.3.2 The Service Provider shall then issue the Invoice to the Authority for the Monthly Payment in respect of Month 1 in accordance with clause 45 (*Payment and Financial Matters*) of this Contract.
- 3.3.3 In the event that the Invoice does not reflect a deduction to the Monthly Unitary Charge equal to the amount invoiced by the Authority pursuant to paragraph 3.3.1 of this part 3 of schedule 12 (*Mobilisation*), then the provisions of clause 45.3 (*Disputed Amounts*) of this Contract shall apply.

### **3.4 Delivery**

- 3.4.1 Delivery of all Project Assets purchased by the Service Provider in accordance with this part 3 of schedule 12 (*Mobilisation*) (excluding Authority Grit Bins in situ on the Project Network which are not in the Depot and items of UTC Equipment which are located at the UTC Centre) shall be effected by:
  - 3.4.1.1 the Service Provider taking possession of the same at the Depot on the Service Commencement Date; or
  - 3.4.1.2 if some other place for delivery within the Project Area is agreed by the Authority to the Service Provider prior to the Service Commencement Date, by the Authority delivering the relevant Project Assets to that place on the Service Commencement Date.
- 3.4.2 Delivery of at least one thousand and thirty three (1,033) Authority Grit Bins shall be made by the Authority notifying the Service Provider in writing, on the Service Commencement Date, that the Authority Grit Bins (except for those Grit Bins that are available for collection in the Depot) are at the locations identified in table 8 of appendix A to this part 3 of Schedule 12 (*Mobilisation*) or at such other location as the Authority shall specify in a written notice.

3.4.3 Delivery of the UTC Equipment shall be effected by the Service Provider taking possession of the UTC Equipment at the UTC Centre on the Service Commencement Date.

### 3.5 Risk and Title

3.5.1 Risk of damage to or loss of the Project Assets shall pass to the Service Provider when delivery is effected in accordance with paragraph 3.4 of this part 3 of schedule 12 (*Mobilisation*).

3.5.2 Notwithstanding paragraphs 3.4 and 3.5.1 of this part 3 of schedule 12 (*Mobilisation*) or any other provision of this part 3 of schedule 12 (*Mobilisation*), title in the Project Assets shall not pass to the Service Provider until the Service Provider has issued the Invoice to the Authority in respect of the Monthly Payment for Month 1 in accordance with clause 45 (*Payment and Financial Matters*) and paragraph 3.3.2 of this part 3 of schedule 12 (*Mobilisation*) of this Contract unless there is a dispute pursuant to paragraph 3.3.3 of this part 3 of schedule 12 (*Mobilisation*) in which case title shall pass to the Service Provider in respect of the Project Assets which relate to the Disputed Sum when such dispute is agreed or determined pursuant to the provisions of this Contract.

3.5.3 Without prejudice to clause 90 (*Partnership - No Partnership between the Parties*) of this Contract, until such time as title in the Project Assets passes to the Service Provider in accordance with paragraph 3.5.2 of this part 3 of schedule 12 (*Mobilisation*):

3.5.3.1 the Service Provider shall hold the Project Assets as the Authority's fiduciary agent and bailee and shall keep the Project Assets (except those Authority Grit Bins in situ on the Project Network which are not stored in the Depot) properly stored, insured and identified as the Authority's property; and

3.5.3.2 the Authority may, at any time, require the Service Provider to deliver the Project Assets to the Authority and if the Service Provider fails to do so, the Authority may enter on the premises of the Service Provider or any relevant third party (including the Depot) where the Project Assets are stored and repossess the same.

#### 4. MOBILISATION CERTIFICATE

The Authority's Representative shall within one (1) Month of the Service Commencement Date issue a certificate (the "**Mobilisation Certificate**") to the Service Provider which shall set out the number of each type of Group A Vehicles and Group B Vehicles and the quantity on a per unit basis of Depot Stock, Sign Shop Stock, Depot Plant, Direct Stock, Sign Shop Equipment, and the items of UTC Equipment purchased by the Service Provider in accordance with this part 3 and of schedule 12 (*Mobilisation*).

Snow ploughs etc are listed separately in table 7 of appendix A to this part 3 of Schedule 12 (*Mobilisation*).

## APPENDIX A

Table 3  
**Depot Stock**

1. The Authority will in consultation with the Service Provider implement a mobilisation stock strategy in order to reduce levels of Depot Stock to a minimum operating quantity.
2. The Depot Stock will be sold in a separate sundry sale transaction based upon the actual quantity at the Service Commencement Date calculated using the unit price shown in table 3 below.
3. Where the purchase price per unit in table 3 below is blank the Authority does not have a current price and for these commodities the actual price paid during the Mobilisation Period will be used.
4. The Service Provider agrees that the Depot Stock does not include personal protective equipment or clothing.

| <u>Material</u> | <u>Material Description</u>              | <u>Authority Stock Category</u> | <u>Unit / Measure</u> | <u>Purchase Price per Unit.</u> |

## **SCHEDULE 12**

### **Mobilisation**

#### **Part 4**

##### **Leased Vehicles**

###### **1. NOVATION**

The Service Provider shall use its best endeavours to ensure that any Vehicle Lease it enters into after the date of this Contract is on terms that require the following:

- 1.1 the Vehicle Lessor to novate the Vehicle Lease to the Authority such novation to take effect on the earlier of the Expiry Date or the Termination Date if required by the Authority;
- 1.2 the Vehicle Lessor to novate the Vehicle Lease to a Successor Service Provider such novation to take effect on the earlier of the Expiry Date or the Termination Date if required by the Authority provided that the Authority shall be liable to the Vehicle Lessor in respect of any act or default by such Successor Service Provider;
- 1.3 the Vehicle Lessor and the Service Provider to copy to the Authority all notices issued by both the Vehicle Lessor and the Service Provider under the Vehicle Lease at the same time as they are issued by the Vehicle Lessor or the Service Provider as appropriate; and
- 1.4 the Authority to be able to step in on terms that are acceptable to the Authority.

###### **2. ENTRY INTO VEHICLE LEASE**

Within five (5) Business Days of the entry into a Vehicle Lease the Service Provider shall provide the Authority with a copy of the Vehicle Lease.

###### **3. EXPIRY OF VEHICLE LEASE**

The Service Provider shall give written notice to the Authority as soon as it becomes aware of any of the following in respect of a Vehicle Lease:

- 3.1 The termination of the Vehicle Lease by the Vehicle Lessor; and
- 3.2 The loss of or destruction of any vehicle that is the subject of a Vehicle Lease.
