OPTIMISM • AMBITION • ONENESS

Rockwood Academy
Deputy Headteacher Vacancy

Information Pack
March 2021
Thank you for your interest in working for CORE Education Trust. I co-founded the Trust in 2015 and remain very much “hands-on” in my approach to leading the Trust. However, I am very clear that it is not my job to run our schools. We employ dynamic Headteachers and senior leaders and we give them a clear mandate to lead on delivering a CORE education in the local context of each of our schools. These schools are at the heart of the communities they serve. As a sponsor, we are committed to understanding the local contexts and we provide solutions, resources and innovation on that basis.

Our CORE Values inspire everything we do. This is supported by our new long-term vision which is defined through a relentless emphasis on optimism, ambition and oneness. This builds on our strong team ethos and a culture of purpose and belonging. We thrive on diversity and work hard to create school environments that are open, outward facing, creative and dynamic.

You can read much more about our ethos, culture and history through the many archive news stories on the internet. We have had an eventful journey to this point! What I hope you will recognise about that history is that we are a resilient and courageous MAT. We dare to step into situations that are challenging, and we seek bold solutions because that is what we believe our children deserve. Each school we take on has its own distinctive identity and therefore its own distinctive rewards and challenges.

A quick look at our social media profiles will enable you to get a sense of those different contexts. As well as finding out as much as you can about the school at which the role you are applying for is based, I would also encourage you to fully understand the nuanced details of the Trust’s wider work through projects such as Echo Eternal before submitting an application.

We would also ask that you consider how our values chime with your own sense of how schools should be run and how children are best served through our education system. We want all our staff to consider themselves as learners and leaders, regardless of their job role.

CORE Education has become a happy home for many staff who have worked in other environments and perhaps found it difficult to fit in. We embrace individuality of thought and celebrate that we are an employer who cares passionately about its employees, people with an incredibly diverse range of backgrounds and experiences. I have worked at every level from Teaching Assistant to Headteacher and just about every job in between. I have also worked or had experience in almost every sector of education.

I am therefore proud to now be able to lead a Trust in a way that allows me to draw on my direct experiences and go about my day to day business with a strong feeling of empathy for every one of our staff. I wish you every success with your application and hope I am in a position to personally congratulate you and say “welcome home” if you’re successful.

Adrian Packer CBE
CORE Education Trust Founder and CEO

We combine imagination with daring. We seek out experiences beyond the ordinary. We provide innovative experiences that broaden horizons, support social mobility, and confront inequality.

RESPECT
We cherish the richness of difference. We take time to understand each other. Echo Eternal is our very own commemorative arts, media, and civic engagement project.

EXCELLENCE
We nurture each other and invest in ourselves. We’re proud of our achievements, yet always aiming higher. CORE Education Trust’s Echo Eternal Project has been recognised in the Pearson National Teaching Awards announcing Echo Eternal as Gold Winners in November 2020.
Based in Birmingham, we are committed to delivering the best possible experiences across our Academy schools. We are here to transform young people’s lives and build ambitious futures through Collaboration, Opportunity, Respect and Excellence.

We are proud that each of our schools has its own distinctive character. Our Headteachers lead their schools in the best interests of their students and their families in a local context. However, all our schools are united in their passion and commitment to deliver a CORE Education.

There is something magical about Rockwood Academy, something so unique about its amazing students and devoted staff. We are committed to unlocking the academic potential and talents of every child so that they achieve a level of performance far beyond that which they might achieve elsewhere.

Education should be challenging, it should be rewarding, but above all, it should have the power to be life-changing. The opportunity to make that happen for the students of Rockwood Academy genuinely drives me, and we are absolutely determined that no child will be left behind.

Sofia Darr, Headteacher

INSIDE THE CLASSROOM

Our personalised curriculum provides an educational pathway that is tailored towards each child’s individual needs and aspirations. Just as importantly, we foster an atmosphere of mutual trust and respect. At Rockwood Academy, we nurture young people who are capable of independent thought, have true integrity, and are ready to take their place as tomorrow’s leaders.

OUTSIDE THE CLASSROOM

Getting involved isn’t just about going to lessons. Rockwood offers an extensive range of student opportunities.

Alongside our clubs and societies, we regularly consult with students to discover their interests, then approach relevant organisations to help us deliver programmes. This has resulted in, for example, a partnership with an international engineering company delivering projects on HS2 and the Commonwealth Games.

As a UNICEF rights respecting school, our students plan whole-school activities relating to the UNCRC: this includes charity work and raising awareness of particular issues. The CCF: Cadet Force programme, which is open to students from year 8 upwards and is extremely popular as is our partnership with the Lawn Tennis Association.
