Dear Sir/Madam -

BEECHES BOOTHS AND BARR NEIGHBOURHOOD PLAN- REGULATION 16 CONSULTATION

Thank you for the invitation to comment on the Submission Neighbourhood Plan. Our previous comments on the Regulation 14 Plan remain entirely relevant that is: "Historic England has no adverse comments to make upon the draft plan which we feel takes a suitably proportionate approach to the main historic environment issues pertaining to the plan area.

We commend the commitment in the Plans Vision, objectives and policies to support well designed development that is sympathetic to the character of the area whilst conserving significant local heritage assets (including through Local Listing).

Proposals to consolidate and enhance existing green infrastructure, protect green spaces and to work towards a "garden suburb" character for the area are equally commendable".

Beyond those observations we have no further substantive comments to make.

I hope you find these comments helpful.

Yours sincerely,

Peter Boland.
