Moseley School and Sixth Form’s purpose is to inspire excellence in character and scholarship.

Our vision for Moseley School and Sixth Form

Moseley School and Sixth Form aims to be an inspirational place to learn, where passionate teachers nurture the curiosity, creativity and imagination of students. Everything we do is inspired by our aim to support the progress of all students. We recognise the potential in everyone and we support and challenge each individual to achieve their best. All the resources of the School are used to enable each student to receive support and achieve ambitious goals. The School is a place in which staff can develop as leading professionals and make valuable contributions to the educational community in Birmingham and beyond. Staff and students receive support and guidance to prepare them for the next step in their careers.

We are a welcoming and compassionate school that enables students to thrive. We endeavour to be an emotionally intelligent school where we acknowledge the fallibility of human beings and recognise the impact our actions and words have on others. Our pastoral system ensures that each student is cared for and their needs are met through effective relationships with all our partners, especially parents and carers. Students welcome opportunities to broaden their social and cultural horizons. The School provides a clear moral framework based on shared values. Students are able to reflect on their own beliefs, appreciate different views and develop understanding of their own identity and their own self-worth. The School values its long history whilst being dynamic and forward-looking; a place where staff and students enjoy memorable experiences.

The staff and students aim to be aware of the effect of our decisions and actions on communities and on our environment. A global perspective that celebrates diversity and respect for individual rights is central to the School and nurtures responsible citizens and independent thinkers. We are a compassionate community where positive relationships are cultivated. We provide opportunities for everyone to develop leadership, organisation, resilience, initiative and communication skills. All of the School’s diverse communities share our vision and purpose and, through developing character and scholarship, achieve excellence.

Our Vision
Inspiring Excellence in Character and Scholarship

- To prepare the ‘whole child’ to be ready for life
- To achieve academic excellence for all
- To work together as a strong community

In our pursuit of excellence we expect all students to meet our expectations and demonstrate our values:

Our Expectations
Ready, Respectful and Responsible:

Our Values
We believe every child has the potential to achieve greatness and exceed their wildest dreams through our RAISE values:

- Resilience
- Ambition
- Independence
- Supportiveness
- Effective communicators

What we can offer you

We have a very positive ethos and excellent staff/student relationships; we value our staff both as individuals and as professionals and are committed to their personal and professional development. We pride ourselves on being friendly and welcoming to everyone who visits and works with us.

Staff wellbeing is at the centre of our practice, we are fully inclusive and provide a wide range of programmes to enhance the employee experience and engagement, this includes:

- Employee voice, through surveys and feedback sessions
- A 24-7 confidential employee helpline
- Regular wellbeing resources and information, supporting National Awareness Campaigns
- Free flu vaccinations and wellbeing clinics
- Free access to the Schools Health and Fitness Centre
- A designated car park space for each staff member
- Pension Scheme
- Appraisal, leading to potential pay progression
- Cycle to Work Scheme
- Staff breakfasts on a Friday

We are committed to providing a supportive and developmental culture for all staff, through an extensive CPD programme, and identifying training to meet the individual needs of all staff and their varying roles and responsibilities. The school strives to deliver personalised pathways and opportunities in order to enhance the growth and development of all staff members. We have deliberately shifted to a school-based model, increasing collaboration and the opportunity for reflection.

In order to create and sustain this culture the school has implemented and delivered a range of strategies: lesson collaboration, joint-practice development, Lesson Study, Moseley Teaching Programme, and other initiatives focusing on teaching and learning.
Curriculum

The curriculum seeks to maximise the achievement of all our students. It aims to provide a broad and balanced education, which meets the requirements of the National Curriculum, and is also tailored to the specific needs, interests and aspirations of our students.

The curriculum contributes to the good spiritual, social, moral and cultural development of students. This is achieved through the taught curriculum and through the programme of enrichment activities which help to deliver key aspects of personal, social and health education, as well as citizenship. The curriculum provision is also supported by a strong commitment to impartial careers information, advice and guidance.

Key Stage 3
At Key Stage 3 all students will study the following subjects

- English
- Maths
- Science
- PE
- Modern Foreign Language
- History
- Geography
- Religious Education
- Design Technology
- Art
- Computing
- Drama
- Music
- Personal Development

Key Stage 4
At Key Stage 4 all students follow a core curriculum of English, Maths, Science, Religious Education, History or Geography, Personal Development and PE. They also have the opportunity to study four more subjects to GCSE level. There is a wide range of subjects to choose from which we will discuss with you and your child during our pathways events. Currently 25 subjects are on offer for your child to discover their passions.

Sixth Form
The Sixth Form at Moseley School offers a wide range of academic A level subjects as well as vocational subjects at both Level 2 and Level 3, all providing opportunities for progression on to higher education or apprenticeship programmes. 96% of our students achieved places at their first choice university in 2019 and 2020.
Pastoral Care

Student Welfare
Student welfare is a core part of Moseley School and Sixth Form. Our students are supported by a year team of Assistant Headteacher Head of Year, a non-teaching Pastoral Manager and an Assistant Head of Year who move through the school with the students from year 8 to year 11. Both year 7 and Sixth Form have a specialist year team focusing on them. This enables our teams to know and support our students.

We also have 6 houses which students (and staff) use to compete in during the school year in different activities and competitions.

A wider team of pastoral staff are on hand to provide more personalised support for students who are struggling with their studies or who are facing challenges outside of school. It is our intention to provide early help and support to our students and their families to ensure that all barriers to learning are removed, enabling our students to achieve their very best.

Celebrating Success
Students’ Excellence, Character and Scholarship is celebrated as we believe it is important to ensure an ethos of success. We celebrate all successes through our Mosette rewards system. Students have the opportunity to earn recognition through demonstrating the school values in their lessons.

Our rewards are broken up into short, medium and long term celebrations. Every week students are acknowledged and praised during house assemblies and awarded Mosettes and postcards home. For consistent excellence over each half term we promote students through our success posters around our school site and via termly awards assemblies along with Bronze, silver and Gold Honours badges for Excellence, Character & Scholarship. As long term rewards each term, students aspire to earn places on our Gold, Silver and Bronze rewards trip/Experience where they will gain new cultural experiences. We also have two awards evenings during the year for KS3 and KS5 awards where students can become a part of the school’s history and celebrate their success with their families.

The six houses of Moseley School and Sixth Form also compete for our four house cups for Attendance, Punctuality, Attitude to learning and Inter-house competitions. These are presented to the houses each half term in a celebration assembly and cups are displayed in our main hall.

Student Conduct and Attitudes to Learning
Students are aware of the clear expectations regarding their conduct in and outside of school and we have an established system of rewards and sanctions to support behaviour. With support from parents and carers, we work in partnership to instil the positive values of respect, endeavour and compassion into our students so that they conduct themselves as excellent ambassadors for the school and the community. Within school we promote the 3Rs as a foundation to excellent conduct. Students show they are ready, they show respect and they show they are responsible. Appropriate guidance and support is available for students who require additional help to maintain a high standard of conduct.
Support for Learning

We believe that every member of Team Moseley has a key role to play in creating an inclusive learning community and promoting pride in scholarship. All students can become successful, independent learners able to integrate effectively into society as responsible citizens, confident throughout their lives in their ability to learn. At Moseley School and Sixth Form student safety and well-being are paramount. We are committed to ensuring that no student is left behind or feels that they are at a disadvantage to their peers and we are able to create individual support plans to meet the needs of every student. All children are treated equally with respect and expectations are high to enable all to achieve or exceed their potential.

SEND
All teachers are responsible for ensuring that all students, in all their classes, including those with SEND or gaps in their learning are accessing the curriculum and making measurable progress. Our SEND (Special Educational Needs or Disability), Literacy and EAL (English as an Additional Language) teams sit at the heart of our school improvement plan and provide excellent support to students, families and carers to remove barriers to learning. Through close relationships with the pastoral and curriculum teams, we are able to make provision for a wide range of needs including complex needs. Students are identified for targeted interventions, including, literacy, speech and language, communication and interaction and numeracy ‘catch up’ sessions. These are delivered by our team of specialist graduate coaches and external agencies during the school day and after school in enrichment clubs.

EAL
For students arriving with English as an Additional Language, a comprehensive programme of support is available to meet the individual needs of students. This ranges from an intensive English induction course, to short term language lessons all of which are designed to allow students full access to the curriculum as quickly as possible.

The EAL team lead, manage and work collaboratively with mainstream teachers and graduate progress coaches to plan and deliver effective English Language support to students with EAL, including those who are International Newly Arrived. Their expertise enables students to accelerate their acquisition of English facilitating their access to a broad and balanced curriculum. Occasionally these students have SEND needs too and we work collaboratively across teams to secure the most appropriate provision.

Assessment and Specialist Provision
We recognise that all students may require support at some stage in their education whether it is social, emotional, behavioural or academic. The views, wishes and experiences of students, parents and staff are integral to the planning and review of the support we allocate to our students. For students with pre-identified SEND or literacy needs, we scrutinise all progress data following every assessment point. For students with high-focus SEND needs we also use a range of assessments, in addition to requesting additional expertise from external agencies. For students who require additional support to improve their literacy skills a team of graduate Literacy Coaches work with individuals and small groups. Focused interventions from the Literacy team enable students to make rapid progress and enjoy success in class and examinations.

Quality First Teaching and Learning
In addition to support from the SEND, Literacy and EAL teams, teachers at Moseley School and Sixth Form are fully committed to maximising inclusion by designing and using teaching methods and resources that provide challenge for all. The key characteristics of Quality First Teaching and Learning are: highly focused lesson design with sharp objectives and outcomes; high demands of student engagement with their learning; high levels of interaction for all students; appropriate use of teacher questioning, modelling and explaining; an emphasis on learning through dialogue, with regular opportunities for students to talk both individually and in groups; regular use of praise to motivate and regular professional training opportunities for staff. Our superb, stimulating learning environments are accessible and fully resourced with state of the art ICT equipment.
## Extra-curricular opportunities

At Moseley School and Sixth Form we believe in providing our students with opportunities to develop their character and understanding of the world through many extra-curricular activities.

Moseley School and Sixth Form is a Silver Unicef Rights Respecting School. We aim to be a school where children’s rights are at the heart of our ethos and culture, to improve well-being and to develop every child’s talents and abilities to their full potential. Both staff and students will learn about their rights and put them into practice every day. By learning about their rights our students will understand the importance of respecting the rights of others. There are many opportunities for our Rights Respecting Student Leaders to shape the development of our school.

There are many ways for students to extend their learning as well as exploring other interests. Illustration Club, build a Robot Club and Science Club and Games Clubs are just a small sample of wider opportunities available.

We also have many sports clubs for students to try out new sports, as well as representing the school in competitive fixtures. Students also have the opportunity to watch live sports events. Groups have recently been to Edgbaston to watch England play cricket, the NIA to watch the National Basketball Finals, the British Gymnastics Championship and Edgbaston Tennis Club to watch the AEGON tennis classic, which is the warm up event for Wimbledon.

In 2018 our school production of ‘Fantastic Mr Fox’ by Roald Dahl, achieved local acclaim and awards were achieved for our 2017 and 2016 productions of ‘The Witches’ and ‘Our Day Out’. There are regular opportunities for students to perform music and drama throughout the year.

Our lower school years take part in Moseley PLUS with an aim to motivate students to experience what Moseley School has to offer outside of their timetabled lessons. It will also support the transition from primary to secondary school, develop confidence and help students to make new friends, with similar interests. The programme structure shares some similarities with that of the Duke of Edinburgh, with students developing new skills and exposing themselves to new experiences. There will be gold, silver and bronze awards on offer, based on their ability to complete activities.

The prestigious Duke of Edinburgh’s Award is recognised by universities and employers for its emphasis on character building. Students from Year 9 onwards can start training and preparing for a bronze, silver and ultimately a gold award. Staff take groups of students away at points throughout the year, and it is a great way to get to know our students and staff.

We have recently introduced Police Cadets to the school which is proving to be an extremely popular club for our years 9 – 13. Whilst not only promoting a practical understanding of policing amongst our students, it encourages a spirit of good citizenship, participation within our communities and generosity of support.
