Senior Science Technician

Grade 3
FTE £20,903 - £27,041
Term time only contract

We are looking to appoint a committed and hardworking ‘Senior Science Technician’. King’s Norton Boys’ School is a rapidly improving 11 to 16 secondary school. The Headteacher and Governors are determined to maintain the school’s upward trajectory, giving our students the highest quality learning experiences to ensure they all achieve their potential.

This is a wonderful opportunity for the right person to work with highly dedicated staff in being part of our school on its journey to becoming ‘Outstanding’. You will need to work on your own initiative, have good organisational skills, work well under pressure and be able to support students and staff with their work. Experience of working in a school science laboratory setting is desirable however other relevant experience will be considered. The Science Department is well resourced with five fully equipped laboratories and extensive preparation space. This role will provide opportunities to develop new and existing skills in a supportive team environment.

The successful candidate will be:
• Enthusiastic in providing specialist support involving the use of specific curriculum resources within the science department, including setting out apparatus, cleaning, repairing, maintaining equipment and ensuring laboratories remain tidy.
• A key member of the Science faculty.
• Passionate about delivering exceptional support to the science department.
• Risk management focused, championing health and safety within the faculty.

King’s Norton Boys’ School is committed to safeguarding and promoting the welfare of children; the successful candidate will be subject to an enhanced DBS check. Further details are available in the ‘Vacancies’ section on the school website: www.knbs.co.uk. If you would like to visit the school then please contact Mrs S. Holland, Headteacher’s PA.

How to apply:

Applicants should complete the school’s application form and submit with a supporting letter, maximum of two sides of A4. Applications should be emailed to: recruitment@knbs.co.uk by 10am on Friday 5th November 2021.
