

**Summary of references in Birmingham Development Plan 2031 Evidence Base to Growth Area Policies Targets**

**Introduction**

This document sets out the main sections in the evidence base for the Birmingham Development Plan 2031 that supports the headline targets included within the proposed Growth Area policies. Appendix 1 to this document categorises sites included within the 2014 SHLAA by Growth Area to further demonstrate the availability of sites to meet the targets for new homes in the Growth Area policies. Policies GA5 Langley Sustainable Urban Extension and GA6 Peddimore are not covered by this document as the evidence base for these proposals has been discussed at length during the hearing sessions.
