Overview

As part of the statutory collections process that Local Authorities undertakes on behalf of state-funded schools and academies, we are instructed by the DfE to provide a secure method of data transfer. For this task Birmingham City Council uses Anycomms+. All state funded schools and academies within Birmingham must submit their annual Early Years Foundation Stage Profile, Key Stage 1 and Phonics results to the LA using this online portal.

You will then be prompted to enter your specific characters of your memorable word.

Upon successful entry to you should see the main menu screen, Click on the “Upload to the Local Authority” button

Then click on the “Select Files” button

Next you will need to Browse to the location that contains the results file for your chosen assessment results (you should have previously made a note of the filename). Ideally this will be a CTF file generated from your establishments MIS system. For guidance on how to generate this file please contact your MIS provider.

Highlight the file and Click on “Open”

Firstly (mandatory), select the File Type to that corresponds to results that you are sending

- **Early Years Foundation Stage Profile**
- **Key Stage 1**
- **Phonics**

Secondly (mandatory) Choose **Assessment** as the Service

Thirdly (optional) enter a description. This is especially helpful if the file itself does not have your establishments DfE number or name in the file.

File Name	File Type	Service	Description	
Issue 73090.docx	Phonics	Assessment	Phonics	Remove

Finally Click on the “Upload Files” button

A confirmation screen will display showing that the file has been sent

You can now log out of AnyComms+

Online Confirmation Forms

In addition to submitting the CTF you also need to ensure that the LA Confirmation Form is completed and submitted, via an online form. [Please see link - www.birmingham.gov.uk/primarydata](#), see section ‘**Confirmation Forms**’. The forms will need to be completed for Early Years Foundation Stage Profile, Key Stage 1 and Phonics results.
