<p>Looked after or previously looked after children</p>	<p>A Looked After Child is a child who is in the care of a local authority or is being provided with accommodation by a local authority as set out in s22(1) of the Children Act 1989. A Previously Looked After Child is a child who immediately after being looked after became subject to an adoption, special guardianship or child arrangements order.</p> <p>With the new admissions code that was implemented on 1<sup>st</sup> September 2021, looked after children will in all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.</p>
<p>Exceptional Social/Medical Reasons</p>	<p>Children whose exceptional social or medical reasons can only be met at this school must be evidenced by the parent/carer.</p> <p>Parent/carers are responsible for providing any professional supporting evidence to the school by the closing date of 31 October. Distance	Distances are calculated on the basis of a straight-line measurement between the applicant's home address and the centre of the school grounds. The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are used to plot an applicant's home address.
Shared Responsibility	Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to support the address used.
Final Qualifier	<p>In a very small number of cases it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published admission criteria.</p> <p>For example, this may occur when children in the same year group live at the same address, or if the distance between the home and academy is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the Published Admission Number for the child's year group to be exceeded, the Local Authority will use a computerised system to randomly select the child to be offered the final place.</p> <p>In the event of this occurring with twins or other multiple birth applicants, academies will be asked to admit over their Published Admission Number to accommodate the pupils.</p>
Waiting Lists	Waiting lists will not be fixed following the offer of places. They are subject to change. This means that a child's waiting list position during the year could go up or down. Any applicants will be added to the academy's list in accordance with the order of priority for offering places. Waiting lists will be maintained until the end of each academic year.
Appeals	<p>Appeals are administered by the Local Authority for this Academy. Parents who wish to appeal against the decision to refuse their child admission should visit:  <a href="http://www.birmingham.gov.uk/schooladmissions">www.birmingham.gov.uk/schooladmissions</a></p> <p>Appeals are considered by an independent panel.</p>

<p>In Year Applications</p>	<p>Applications made outside the normal admissions round (in-year admissions) should be made directly to the academy. Parents/carers can apply for a place for their child at any time and to any academy. On receipt of an in-year application, the academy will notify the local authority of both the application and its outcome, to allow the local authority to keep up to date with figures on the availability of academy places in Birmingham.</p>
<p>Deferred entry and Admission of children outside their normal year group</p>	<p>Parents have the right to request, but not insist, that their child be considered for admission to a class outside of their normal age group. This could be the case, for example, if a child is gifted and talented or has experienced problems such as ill health, that they had deferred entry agreed for when their child started Reception class or that they have been taught out of the normal year group during the primary phase of their education and have not been reintegrated back into their normal chronological year group.</p> <p>Where a parent wishes to request admission out of the normal age group for their child, they should still make an application for their child's normal age group at the usual time. Parents must then submit a formal request to the Academy Trust for the child to be considered for a different age group class instead. This request should be in the form of a written letter of application outlining the reasons why they wish for their child to be considered to be admitted into a class outside of their normal age group and enclosing any supportive evidence and documentation that they wish to be taken into account as part of that request.</p> <p>The Academy Trust will consider requests submitted for a child to be admitted into a class outside of their normal age group and advise parents of the outcome of that request before national offer day, having taken into account the information provided by the parents, the child's best interests and the views of the Head Teacher.</p> <p>If the request is refused, the original application for the normal age group class will progress through the Local Authority co-ordinated admissions scheme, be considered by the Academy Trust and the parents will be advised of the outcome.</p> <p>If the request is agreed and the year group for which the parents have requested a place is a current year group in the school, then the application will be considered by the Academy Trust and the parents advised of the outcome.</p> <p>If the request is agreed and the year group for which the parents have requested a place is for a future year group, i.e. Year 7 in September 2024, then the original application is withdrawn and the parents must submit a fresh application for Year 7 in 2024 when</p>

	<p>applications open in the autumn term of 2023. Please note that parents only have the right to re-apply for a place.</p> <p>Where the Academy Trust agrees to consider an application for Year 7 for the following year, that application is considered alongside all other applications received and parents will be advised of the outcome of that application on national offer day. No place is reserved or held for the child in advance.</p> <p>If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they also read the DFE guidance which can be found at:</p> <p><a href="https://www.gov.uk/government/publications/summer-born-children-school-admission">https://www.gov.uk/government/publications/summer-born-children-school-admission</a></p>
Fair Access Protocol	<p>The Governing Body of Cockshut Hill School is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is able to give priority to a child where admission is requested under any locally agreed protocol. The Governing Body has this power, even when admitting the child would mean exceeding the published admission number subject.</p>
