No variations to the Order or these Terms and Conditions shall be permitted or authorised unless the variations are documented and agreed in writing between us ("the Parties") or individually ("the Party").

1.2 If the Provider has already started work, (e.g. supplied goods or are providing the services) then the Provider agrees that this Contract applies retrospectively from the start of the Provider's work.

1.11 In entering into this Contract the Provider confirms that:

- a) it is not aware of any conflict of interest which may affect the performance of this Contract;
- b) The Council reserves the right to terminate this Contract immediately by giving notice in writing to the Provider and/or to take such other steps it deems necessary where, in the reasonable opinion of the Council, there is or may be an actual conflict, or a potential conflict, between the Provider's pecuniary or personal interests and the duties owed to the Council under the provisions of this Contract. The action of the Council pursuant to this Condition shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to the Council;
- c) it is not party to any existing or previous arrangement or arrangements which prevent the Provider from entering into this Contract;
- d) it shall not perform Services or supply Goods similar to, or in the nature of those to be provided under this Contract for any person or body if such performance could in the reasonable opinion of the Council lead to a conflict with the Provider's obligations under this Contract;
