Dear Mr Kemp

**REF: BIRMINGHAM DEVELOPMENT PLAN**

Prior to the public examination of the above, I am writing to you as I wish to strongly register my anger, disappointment and utter amazement that none of the residents comments in relation to the above have been taken into account.

I believe there were nearly 6000 comments submitted including my own and a number of my neighbours relating to all aspects of the plan and I find it absolutely astonishing that Birmingham City Council submitted the plan completely unchanged.

The plan would be a total disaster for the area as important issues such as roads; schools, health etc. have not been addressed in realistic terms. These facilities are already under tremendous pressure in the area without another 6000 houses, and of course, the senseless and unjustified tragic loss of the small remaining part of Birmingham's Green Belt, which once lost will be lost forever.

I strongly and passionately ask that the Inspector adheres to the National Planning Policy as laid down and takes into account the views of the local residents.

Yours sincerely

**Miss Deborah J Clueit**
