

Other services

Skips

This service is suitable for commercial, industrial, demolition, recycling and domestic use.

Birmingham Commercial Waste Service's skip service is available as a one-off or a scheduled service.

Skips can be requested with drop down rear door for easy access and loading.

Fully compliant with Duty of Care waste is dry-bay sorted to extract recyclables.

8 and 14 cubic yard builders skips available.

Portable 14 cubic yard compactor service also available with waste being sent straight to our Energy from Waste facility so you will be a zero to landfill company.

Special Collections

Every business occasionally needs help disposing safely and legally of large items of unwanted furniture, carpet, fridges, freezers etc. Your location may not be suitable for a skip or the items you want to get rid of might be hazardous and unsuitable for a skip. Why not let Birmingham Commercial Waste Services help you with safe legal disposal. Contact us by phone or email for advice and a price for this service.

Cesspit Emptying

This service is available for cesspits and mobile toilets. Contact us to find out more.

Confidential Waste

Birmingham Commercial Waste Services offer a professional, secure and unique service for the collection and disposal of confidential waste. All materials are taken for incineration at the Energy from Waste Plant at Tyseley and are destroyed the same day.

After incineration, we can provide you with a Waste Transfer Note and a Certificate of Destruction as evidence that your waste has been destroyed in a secure manner.

Confidential materials that can be disposed of include paper, CD's, computer discs, video tapes and other media formats.

To find out more about any of these services, just email our Commercial Waste team at commercialwaste@birmingham.gov.uk or give us a call on 0121 303 2894.
