

Pre-paid sacks and tape

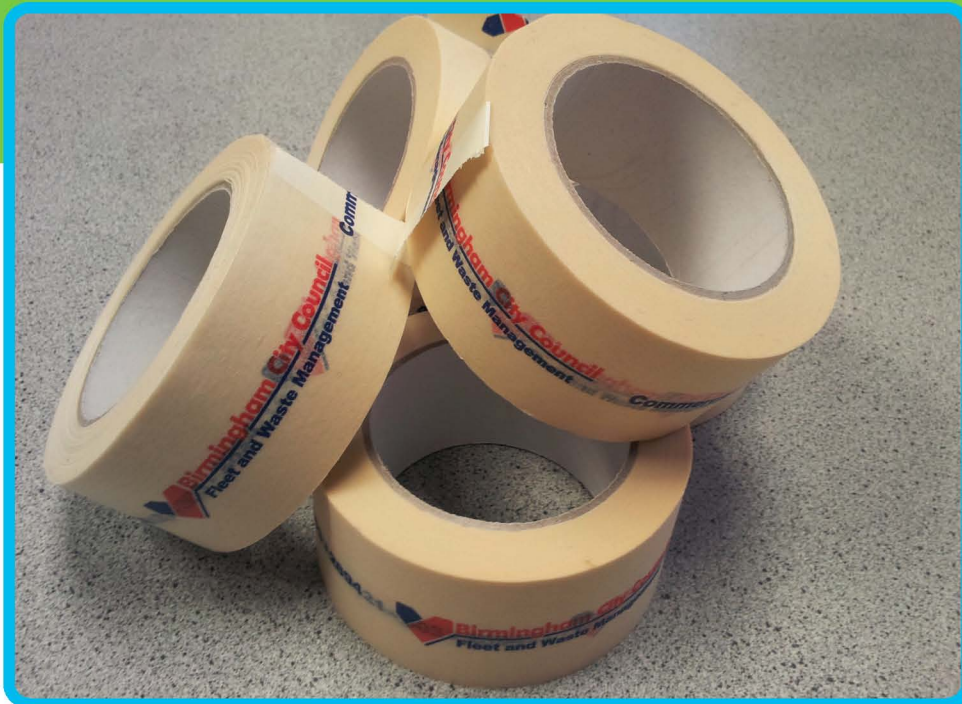

Perfect for the small business, the Pre-paid Sack service offers flexibility as well as value for money.

The clear sacks, which are sold in rolls of 50 can be purchased from the City Council website www.birmingham.gov.uk/commercialwaste or by contacting the Commercial Waste Team on 0121 303 2894.

The sacks and Duty of Care Waste Transfer Notes are dispatched by courier to the customer within three working days.

Customers place as many full sacks as required outside their own premises on collection day, using the service in a way that best suits their needs.

In the city centre collections can be made seven days a week

Cardboard Recycling Tape

This service is designed to help small businesses in Birmingham recycle their cardboard waste in an economic and environmentally friendly way.

Cardboard is presented for collection in small tidy bundles bound by at least one complete revolution of Birmingham City Council tape.

Your cardboard should be put out in bundles which are easily managed by one person.

You can put as many bundles of cardboard out for collection as you like, so long as they are all individually bound with your Birmingham City Council tape.

We will collect your cardboard on a weekly/fortnightly basis and transport it to a paper mill close to Birmingham City Centre sustaining local jobs for local people.

To find out more about any of these services, just email our Commercial Waste team at commercialwaste@birmingham.gov.uk or give us a call on 0121 303 2894.
