

Notes :-

1. The type of fencing and hedge planting (where required) shall be as specified in Appendix 3/1, or on the Contract Drawings.
2. For all post and rail or other wooden fencing, the posts shall be on the highway side and the rails and boards shall be on the private land side. NOTE THAT THIS REQUIREMENT OVER-RULES ANY STIPULATION ON DFT "HIGHWAY CONSTRUCTION DETAILS" OR ON ANY OTHER DRAWING.
3. Depending on ownership, the fence is to be wholly within Highway Land or Private Land, with the boundary marked by the face of the rails or the back of the posts respectively. Ownership to be confirmed by the Project Manager.
