Reference number	EIA000340
Date Submitted	02/02/2024
Subject of the EIA	Leisure Fees & Charges Increase by 5%
Brief description of the policy, service or function covered by the EIA	Maximum charges across all sport and leisure activities to be raised by 5% on 31st April 2024. Price increases occur annually and are subject to a further Cabinet Report and governance approval process prior to implementation. Whilst it is recognised that price increases have the potential to impact citizens negatively and certainly in terms of deprivation, it is the considered view that this does not impact those with protected characteristics disproportionately. All are impacted in the same way. No activities or services are being removed or reduced by this saving proposal and activities and services remain available to all.
