Statement of Evidence for Path Claim BAP 105

- 1 The path is shown, and labelled 'FP', on the first edition of the Ordnance Survey six inch map (1880's).
- 2 The path is shown, and labelled "other path of the neighbour hood", on a Quarter Sessions Highways Order of 1901. (Held by Warwickshire County Record Office at QS47/188.)
- 3 The north end of the path is shown, and labelled "other Footpath of the neighbourhood", on a Quarter Sessions Highways Order of 1905. (Held by WCRO at QS47/204.)
- 4 The north-west half was diverted onto a new estate road (Berkswell Road), with a path link onto the retained half of the path, by a Quarter Sessions Highways Order with a Certificate of Completion dated 5 January 1937. (The Order is held by the City Council in the Central Reference Library, Archives section, at QS/B/21/2 (Box 15, item 49).)
- 5 The path is recorded on the (undated) City Council map of public rights of way.
- 6 The path has recently been resurfaced, has new street lights and cycle barriers, and 'no cycling' notices
- 7 It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
