Statement of Evidence for Path Claim BAP 190

1. The route is first shown on the first edition (1880's) of the Ordnance Survey 6 inch map, for its whole length.

2. The southern part (from Stanfield Road) was closed by a Quarter Sessions Highways Order of 1933, which was confirmed on 9 March 1937. (This Order, with the Certificate of Completion, is held by the City Council in the Reference Library under reference QS/B/21/2 (Box 15, item 43).)

3. The remaining part of the path is shown on subsequent Ordnance Survey maps, and the A-Z Street Map, although it has been gated.

4. The route is recorded on the (undated) City Council map of public rights of way.

5. It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
