Statement of Evidence for Path Claim BAP 27

- 1 This path is first recorded in a Quarter Sessions Highways Order of 1846 when the south-west end of Manor House Lane was created, and the related path extended due to the closure of the old line of this end of the road. (The Order is held by Warwickshire County Record Office under reference QS32/2 Epiphany 1846: Sessions held on 24 November 1845.)
- 2 The path, and the diverted road, are shown on the 1887 edition of the Ordnance Survey 6 inch map.
- 3 The footpath was diverted onto the estate road (Sunnymead Road), with a link to Manor House Lane, by a Quarter Sessions Highways Order with the Certificate of Completion dated 2 March 1937, for the Sessions after 5 April 1937. (The Order is held by the City Council in the Central Reference Library at QS/B/21/2 (Box 15, item 15).)
- 4 The path is recorded on the (undated) City Council map of public rights of way.
- 5 The path has a well maintained, tarmac, surface with a modern street light in the middle.
- 6 It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
