

Displaced Worker (under the Skilled Worker visa sponsorship scheme) Support

The following information is intended to provide support to care workers (under the Skilled Worker visa sponsorship scheme) who have become ‘displaced’ because of the revocation of their original sponsor’s licence.

Recruitment opportunities

The following contracted Care Quality Commission (CQC) registered care providers hold Skilled Worker Visa Sponsorship Licences and have indicated to Birmingham City Council that they will consider employing displaced workers if they have employment vacancies. If you are seeking employment please use the details below to make contact. **Disclaimer:** Birmingham City Council supplies the details below for information only. The details do not constitute a recommendation by the Council, and nor does it provide any guarantee as to future employment. Displaced workers entering into employment contracts do so at their own risk, should seek appropriate advice and carry out their own due diligence before doing so.
