YOUR COMMENTS ON THE CASE

I oppose the appeal due to the following reasons;

There already exists facilities for gambling in the form of bookmakers.

The area is one of significant deprivation. Further opportunities for gambling will add further to this.

There is the risk of adding further to the antisocial behaviour which exists on Soho Road.

There is a density of houses of multiple occupation within the area. This has given rise to vulnerable adults with addiction issues.

There is a potential of older students from the schools within the area attending the gaming facility.
