### Statement of Evidence for Path Claim BAP 3

- Part of the path is shown on the map with the Yardley Tithe Apportionment 1847. (Held by the City Council in the Central Reference Library.)
- The whole route is shown, and labelled 'FP', on the first edition of the Ordnance Survey six inch map (1880's).
- The section from the south end of Greenaleigh Road to Riversdale Road was diverted by a Quarter Sessions Highways Order with a Certificate of Completion dated 26 June 1929. The Order retained a link at the east end onto Priory Road. (Held by the City Council in the Central Reference Library, Archives section, at QS/B/21/1 (Box 14, Bundle 3, item 7).)
- Part of the section between the end of Riversdale Road and Priory Road was diverted onto an extension to Riversdale Road by a Quarter Sessions Highways Order with a Certificate of Completion dated 17 January 1935. (Held by the City Council at QS/B/21/1 (Box 15, item 14).)
- The short section between Riversdale Road and Priory Road is paved and lit, and has concrete bollards to prevent vehicle access. The main section passes through the park and the playing fields, and is paved with a street light at its northern end, beside the church.
- It is considered, therefore, that it is reasonable to allege that the route subsists as a public footpath and should be recorded as such on the Definitive Map.
