3- and 4-Year-old Funded Place – 15 universal hours

All three- and four-year-olds are eligible for a funded early education place of 15 hours a week for 38 weeks per year (term time only) or the equivalent of 570 hours stretched over the whole year, the term after their third birthday, irrespective of the immigration status of the child or their parent(s).

An eligibility code is not required for universal hours.

9 months - 4-Years- Funded Place – Working Parent Entitlement

Children aged 3 - 4 years of eligible working parents are entitled to access 30 hours per week for 38 weeks per year (term time only) or the equivalent of 1140 hours stretched over the whole year where providers offer stretched places, the term after they turn 3 years old or the term after they receive an eligible code – whichever is later. The working entitlement will be extended to eligible working parents of children from the age of 9 months as follows:

- **April 2024**, the 15-hour entitlement for children aged 2 years of eligible working parents. A child can access the place the term after they turn 2 years old or the term after they receive an eligible code – whichever is later.
- **September 2024**, the 15-hour entitlement for children from the age of 9 months of eligible working parents. A child can access the place the term after they turn 9 months old or the term after they receive an eligible code – whichever is later.
- **September 2025**, the 30-hour entitlement for children from the age of 9 months of eligible working parents. A child can access the place the term after they turn 9 months old or the term after they receive an eligible code – whichever is later.

Please note Working entitlement hours cannot be funded until the term after eligibility is confirmed. Funding can only continue each term if eligibility is reconfirmed on time every 3 months - Parents are responsible for checking their HMRC account to action this. If parents do not reconfirm their working entitlement eligibility every 3 months as directed by the HMRC, they will be liable for the fees for any hours where providers cannot claim funding for them.

The code and the child's DOB must be checked by the provider to confirm eligibility for each term being accessed. **The provider must check the code at the beginning of every term before allowing the child to take up the funded hours.**

Children who have been admitted to primary school and are attending a state-funded or independent school reception class which is funded by the local authority are not entitled to any additional funded hours outside their school reception class.

Entitlement	You must not exceed your entitlement. If you split funding, you must not have more than your total allowance.			
Changing Childcare Provider	When a child moves childcare provider after headcount day, funding will not be transferred to the new provider unless an exceptional agreement has been made between the childcare provider and the Local Authority, therefore the parent will be responsible for paying any fees due to the new provider. In addition, <u>when a child moves childcare providers before headcount day, funding will not be paid</u> to the childcare provider they are leaving, therefore the parent will be responsible for the fees due at the previous provision.			
Holiday / Absence	Periods of extended leave – 4 weeks or more: The maximum paid absence for a child from a provision when claiming EEE funding is four consecutive weeks . If you choose to remove your child for 4 weeks or more, funding will not be paid for that term, and you may be charged by your provider for any sessions you have attended.			
Extra Costs	Although your early education hours are free, childcare providers may charge for extra consumable items e.g. meals, nappies, sun cream, trips etc and any extra hours accessed. Ask your childcare provider for a breakdown of the charges so that you understand what you are paying for. Providers can also charge you a deposit to secure your place but must refund the deposit in full within a reasonable time scale.
