Did you know?

The Health and Safety (First-Aid) Regulations 1981 require employers to provide adequate and appropriate equipment, facilities and personnel to ensure their employees receive immediate attention if they are injured or taken ill at work. These regulations apply to all workplaces including those with less than five employees and to the self-employed.

Are you a teacher, carer or coach?

Schools, nurseries and other child care establishments are required by Ofsted to have measures in place to prevent and minimise injuries to children and take precautions to avoid infection.

We offer the following courses which are certified and can qualify your staff so you meet the requirements:

Paediatric First Aid

Certified recognised paediatric first aid course – Ideal for teachers, carers, club leaders, coaches, and anyone else who work with children

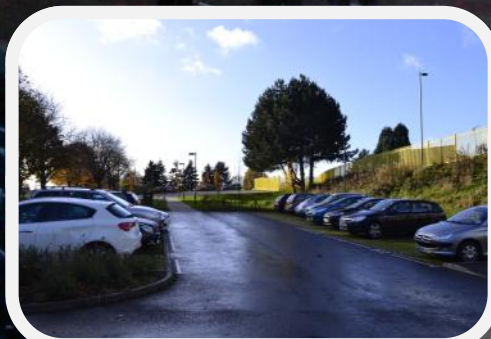

First Aid at Work

Ensure you meet the HSE guidelines we are able to offer the following courses

(FAW) or emergency first aid at work (EFAW):
