Thanks Dave

And thank you for checking as I have just realised that I have given Richard the incorrect advice – sorry. I didn't realise the Notice has the Court Order within it.

So, to be clear:-

GF

Fí €

- We need to put the first page of the attached up as a document in its own right. That is one page of A4 which should be affixed to the fence.
- The rest of the document (page 2 to 15) needs to put up as a whole document up. At Lifford Lane they have done this using a plastic wallet with the whole document inside. I have just spoken to Richard and he was doing to laminate each page (they can be printed double sided) and then hole punch them with a tag to keep them together (as he felt this would withstand the weather better). We need to put the whole document up (although I am not sure anyone will read them).

This is all we need. Apologies, I thought that you had also put the judgement up but can see this wasn't deemed necessary in the end.

Thanks

Debbie

Please tell me if I am being stupid but these 2 notices have 15 and 14 pages, so is it just the first page that we put up? And the only signs I have up on each gate is the Injunction Granted as I was told to remove all other while putting this up Monday

10. What information will you be relying on, in support of your application?

- the attached witness statement
- the statement of case
- the evidence set out in the box below

If necessary, please continue on a separate sheet.

Pursuant to the Claimant's Particulars of Claim filed on 23 February 2026, the Claimant claims the following relief:

- (1) An order that until 1 January 2028, the Defendants are restrained from entering on to the Premises;
- (2) An order that until 1 January 2028, the Defendants are restrained from blocking or obstructing the exiting or entering of any other individual or vehicle to or from the Premises or otherwise impede the exiting or entering of such individuals or vehicles;
- (3) An order that until 1 January 2028, the Defendants are restrained from blocking or otherwise obstructing the public highway within the Prohibited Territory as marked as the area within the boundary as drawn on the map at Schedule 2 with the purpose or effect of preventing, slowing or otherwise disrupting the passage of Street Management vehicles including but not limited to; waste collection vehicles, street scene, trade waste and clinical waste vehicles operating out of the Premises.

The Claim Form in its current form does not specify the duration for which the injunctive relief is sought. The Claimant's Particulars of Claim, filed with the Court on 23 February 2026, makes clear that the relief is sought until 1 January 2028. This application is therefore made for permission to amend the Claim Form pursuant to CPR 17.1(2)(b), so that it accords with the relief pleaded in the Particulars of Claim.

The Defendants are sued as Persons Unknown, and accordingly it is not practicable for the proposed amendment to be agreed by consent as per CPR 17.1(2)(a). The proposed amendment does not introduce any new cause of action and seeks only to clarify the duration and temporal scope of the relief already pleaded.

11. Do you believe you, or a witness who will give evidence on your behalf, are vulnerable in any way which the court needs to consider?

Yes. Please explain in what way you or the witness are vulnerable and what steps, support or adjustments you wish the court and the judge to consider.

No
