

Bus Lanes outside City Centre

We are in the process of extending bus lane enforcement across the city in areas where there is a problem with bus lane abuse. This will be done using a combination of fixed bus lane enforcement cameras and car-mounted mobile cameras.

The first site identified for this next phase of bus lane enforcement is the bus only road at the junction of Belgrave Middleway with Longmore Street and Horton Square.

Longmore Street Northbound

Description: Off-side bus lane on approach to Belgrave Middleway Junction. Bus only road at the junction with Belgrave Middleway.

Hours of operation: Monday to Sunday, 24 hours per day, **Permitted vehicles:** Bus, Pedal Cycle, Licensed Taxi.

Horton Sqaure Southbound

Description: Bus gate at the junction with Belgrave Middleway.

Hours of operation: Monday to Sunday, 24 hours per day, **Permitted vehicles:** Bus, Pedal Cycle
