# WELCOME

Our City Dressing portfolio comprises flags, banners and bespoke signage located in the city centre and main commuter routes into and out of the city.

With a population of over **1,100,000**, our City Dressing provides an ideal and affordable means of reaching and communicating with residents and visitors to our city.

**FACT:** 81% of people in the city commute to work by road

**FACT:** Over 41.8 million visitors per year

**FACT:** Visitors spent over £7.1 billion per year

City Dressing is flexible, time-sensitive and great value for money. Promoting events, festivals and businesses supporting our city and visitor economy.

All costs include print, installation and removal.

# TRAFFIC FLOW

Birmingham's city dressing assets give maximum exposure to your campaign,  
These figures show (on average) the number of vehicles that pass by them each day:

# CAMPAIGN FLAGS

Over 100 flags located in prime locations including Colmore Row, High Street, Bull Ring, Great Charles Street Queensway and Moor Street Station, as well as major routes into the city.
