List of Land Nominated by Unsuccessful Community Nominations

Date Application Received	Description/Address of Property	Date of decision not to list and reasons
02/11/2012	Aston Arena, 8 Aston Hall Road, Aston, Birmingham, B6 7LB (ACV04)	<p>19/02/2013</p> <p>Reasons for not listing:</p> <ul style="list-style-type: none"> • The community facility is soon to be demolished • Policy exists for the land designating it as a Regional Investment Site and the continued use of the Aston Arena is not compliant with the approved policy. The site is one of six Economic Zones launched by the City and has been designated as the City's Advanced Manufacturing Hub. The site is being marketed for manufacturing uses. • Birmingham City Council has resolved to make a Compulsory Purchase Order which covers the site of the Aston Arena to facilitate the RIS / Advanced Manufacturing Hub. • Given the above, it is not realistic to think that the land can be used for community use again in the next 5 years.
11/04/2013	Forward 4 Work, 6 Inkerman Street, Nechells, Birmingham, B7 4SB	<p>28/08/2013</p> <p>Reasons for not listing:</p> <ul style="list-style-type: none"> • The nomination appears to be aimed at protecting the service not the building • The building is used for the Forward 4 Work service which is a Council service provided for Birmingham generally, and not a local community service • The service from the building is subject to re-design and while there appear to be no plans to re-locate the service, if it were to be re-located, the service is capable of being delivered from alternative premises within Birmingham generally • Bearing in mind the above, the current use of the building and its geographical location, the building is not considered to be in a local community use.

Date Application Received	Description/Address of Property	Date of decision not to list and reasons
12/06/2013	Waste land rear Soho Road, Handsworth	28/08/2013 Reasons for not listing: There is no evidence that the land is currently in community use or has been in the recent past therefore the land does not meet the test in Section 88 of the Localism Act 2011
16/08/2013	New Stonehouse, Stonehouse Lane, Quinton, Birmingham, B32 3DU	02/2014 Reasons for not listing: In the Council's opinion the reason for not listing is that, giving the condition of the building and the evidence supplied as a whole, it is not considered realistic that the land can be brought back into community use in the next five years. Accordingly, the definition in Section 88 of the Localism Act 2011 is not met.
18/10/2015	Navigation Inn, 1 Wharf Road, Kings Norton, Birmingham, B30 3LS and adjacent car parks on the corner of Pershore Road South and Wharf Road	25/09/2017 Reasons for not listing: There is insufficient evidence that the public house furthers the social wellbeing or social interests of the local community. The nomination is too generic. Accordingly, the definition in Section 88 of the Localism Act 2011 is not met.
19/03/2016	The Prince of Wales, Moseley	06/09/2017 Reasons for not listing: In the Council's opinion the property does not meet the statutory requirement, in that no specific supporting evidence as to the purported community use and benefit that furthers the social wellbeing or social interests of the local community was submitted. Accordingly, the definition in Section 88 of the Localism Act 2011 is not met.
17/03/2016	The Duke Inn, Sutton Coldfield	06/09/2017 Reasons for not listing: In the Council's opinion the property does not meet the statutory requirement, in that insufficient supporting evidence as to the purported community use and benefit that furthers the social wellbeing or social interests of the local community was submitted. Accordingly, the definition in Section 88 of the Localism Act 2011 is not met.

Date Application Received	Description/Address of Property	Date of decision not to list and reasons
26/04/2017	Hare & Hounds, Marsh Hill, Erdington	25/09/2017 Reasons for not listing: In the Council's opinion the property does not meet the statutory requirement, in that, whilst it is acknowledged that there is support for the continuation of the site as a leisure venue, much of the testimonial evidence suggested that the site was enjoyed principally as a generic public house. It was considered that the site is close to the Stockland Green local centre and that community support could be found locally at St Barnabas' Church and at Highcroft Community Centre, so that the property is not vital to the local community as envisaged by the ACV legislation.
18/05/2017	Aston Villa FC, Trinity Road, Birmingham	25/09/2017 Reasons for not listing: The car park, administrative building, Academy and The Holte End Public House are ancillary to the Stadium and do not satisfy the statutory test.
07/09/2017	2 York Road, Kings Heath	06/09/2017 Reasons for not listing: There has been no use of the site in the recent past that satisfies the statutory test. The site is currently vacant.
23/03/19	Stechford Cascades	Following closure of the former Leisure Centre in January 2018 it has been replaced with a new modern Leisure Centre developed on the adjoining land providing better and improved facilities for community use, identified ancillary use only, no evidence to think that the Asset can be made fit for the Nominator's proposals practically and within reasonable resource requirements which will continue to further the social wellbeing and interests of the community within the next 5 years. The nomination makes reference to provision of offices and retail space. This is currently provided on a nearby site up the road
29/10/2019	Harborne Royalty Cinema	There has been no use of the site in the recent past and it is considered that there was no evidence to think that the Asset can be made fit for the Nominator's proposals practically and within reasonable resource requirements (the costs of the development would be very high given the size, age and construction style of the subject premises), which will continue to further the social wellbeing and interests of the community within the next 5 years
08/11/2019	Montgomery Street Business Centre	There was insufficient evidence to support the nomination of the Centre supported the social well-being or the interests of the local community

Date Application Received	Description/Address of Property	Date of decision not to list and reasons
03/12/2019	Clifton Road Youth Centre	The nomination failed to evidence that the nominated property would continue to be an asset of community value and as such failed the statutory test.
31/12/2019	Eden Bar	The nomination failed on a legal technicality
5/10/2020	Queensbridge Road Parks Depot	<p>9/12/2020:</p> <p>The nomination did not evidence the value of the asset to the community beyond intermittent use of the site as a car park for parents of Queensbridge Rd school.</p> <p>Further, no evidence had been provided within the nomination, and that there were no statements provided that supported or indicated, evidenced, or alluded to the requirement that the building had been used as a community asset in the recent past other than infrequent ancillary use. The recent past is taken as in the last five years as previously determined by the City as a measure of this requirement.</p>
28/10/2021	Tower Ballroom, Edgbaston	<p>The Officer Panel determined that the nomination should not be accepted and that the Tower Ballroom could not be listed as an Asset of Community Value because the nomination failed to evidence that that the property had been used as a community asset in the recent past.</p> <p>The Officer Panel also determined that there was no realistic prospect that the property would be used as a community asset in the next five years and in particular the nomination failed to demonstrate the availability of resources or funding to regenerate the building as an asset to the community within the required timeframe, along with a lack of identifiable community activity at the property within the same timeframe</p>
24/01/2022	Bartley Reservoir, Severn Trent Field and Farmed Land. Genners Lane, Bartley Green	<p>07/03/2022</p> <p>The area nominated is 'operational land of statutory undertakers as defined in Section 263 of the Town and Country Planning Act 1990, in paragraph 4 of Schedule 1 (e.g. land owned by utility companies, the civil aviation authority, the post office etc), which is organisations like the Post Office, Civil Aviation Authority, Transport providers, utilities, etc.' As such it is exempt from an ACV listing.</p>
