

BIRMINGHAM

WORKING TOWARDS A **HEALTHY CITY, HEALTHY PLACE**

ACTIVITY AND GREEN SPACE

571
PARKS
in Birmingham
more than any
European City

11.5%
utilise outdoor
space for
exercise

Eng Av. 17.9%

RANKED
161
out of 206
happiest place
to live

access to
GREEN
SPACE can
reduce risk of
obesity by
40%

RANKED
172 out of 206
for access to
sports & rec
activities

reducing speed
limits **increases**
cycling & walking
by **20%**

LESS THAN
1% of children
cycle to
school

26%
of children
are driven
to school

Did you know...
Edinburgh Scheme
has put yellow lines
around schools which
has increased
walking to school...

I heard
Oxford Street is
going to be
pedestrianised
