If your application is for a new licence then you must complete the Notice of Application (included at the end of this pack reference number MST1/25)

On the same date as you make your application, you must display the Notice of Application on or near the premises for a period of 21 days. The notice must be in a position to be easily seen at all times by the public passing by outside the premises.

RENEWAL – NB – Ensure that you enclose a completed electrical certificate with your application (required under condition 29 of your licence) – any application submitted without the certificate will be deemed incomplete. Any such incomplete application will be returned unprocessed if not rectified within 2 weeks of receipt.
