People carriers (MPV types) and van derived vehicles intended to be licensed as private hire vehicles **must not be BLACK or described as BLACK** on the logbook.

Van derived hackney carriage vehicles **must be BLACK and must be described as BLACK** in the logbook. Applicant vehicles cannot be licensed if they are any other colour. Any vehicle that has been specially adapted to be licensed for Hackney Carriage must be classed as M1 on the logbook and must be presented with an appropriate certificate of conformity to the European whole vehicle type approval.

If you have any questions regarding the type or configuration of a vehicle you wish to licence, please contact the Licensing Office at licensing@birmingham.gov.uk.
