

Open Sessions Autumn Term 2017 for admission Reception Class 2018

Please see below a list of infant and primary school open sessions dates and times. These are a good opportunity for you to get a feel for each school, seeing things for yourself and talking to teachers and current pupils. You are strongly encouraged to attend before submitting your Reception class application by the final closing date of 15 January 2018.

Information for parents is available to view at www.birmingham.gov.uk/schooladmissions. This includes information to help you see if your child would have met the oversubscription criteria for a particular school in the past three years. You should consider this information carefully as a guide to whether you have a realistic chance of being offered a place at a school. However, please note that due to population changes from year to year there is no guarantee that the trend in past years will be repeated.
