7. Waiting lists

- 7.1. Parents whose children have not been offered a place at one or more of their preferred schools will be informed of their right of appeal and will be added to their preferred schools' waiting lists. Parents will be advised that inclusion on a school's waiting list does not mean a place will eventually become available there.
- 7.2. Waiting lists will be created following the acceptance of places and are subject to change. Any new applicants to whom it is not possible to offer a place will be added to each school's waiting list in accordance with the relevant oversubscription criteria. This means that a child's waiting list position during the year could go up or down. Places will not normally be allocated from waiting lists until after the time for acceptance of offers has expired and the number of places offered and accepted have been confirmed. This process will normally approximately take 3 weeks.
- 7.3. School Admissions and Fair Access Service, on behalf of the Local Authority, will maintain waiting lists for community and voluntary controlled schools for the summer term of the academic year.
- 7.4. At the start of the autumn term each year, School Admissions and Fair Access Service will pass Community and Voluntary Controlled schools their waiting lists to maintain following the end of the normal round of admissions. Waiting lists following transfer to secondary school must be maintained by schools up to the 31 December of that Year and waiting lists following the Reception class intake and Year 2-3 transfers must be maintained until 31 January of the following Year. Schools should write out to parents/carers to establish if they wish for their child to remain on their waiting list following the dates above or at the end of the Academic Year. Schools must make it clear those parent/carers that do not respond will be removed from the waiting list.
- 7.5. Waiting lists for voluntary aided and foundation schools, Academies and free schools in Birmingham will be maintained by the schools and Academies on behalf of their Governing Bodies. The Local Authority may require sight of the waiting lists at these schools, in order to determine that the co-ordinated scheme is operating effectively.

8. Appeals

- 8.1. Where parents are refused a place at a school that they have expressed a preference for, arrangements exist for appeals to be heard by an Appeals Panel, which is independent of the admission authority for the school.

- 8.2. Parents can only appeal for schools for which they have expressed a preference and where their application has been refused.
- 8.3. In the case of appeals for Reception, Year 1 and Year 2, because infant classes have a legal limit of 30, Appeals Panels are limited in the matters they can take into account. In this type of appeal, an Appeal Panel can only uphold an appeal if it is satisfied that:
- the admission of additional children would not breach the infant class size limit; or
 - the child would have been offered a place if the arrangements had been correctly and impartially applied; or
 - the child would have been offered a place if the arrangements had not been contrary to the School Admissions Code and legislation; or the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.
- 8.4. Appeals in respect of community, voluntary controlled schools and those academies who have delegated responsibility for the administration of appeals to Birmingham Local Authority, should be sent to Birmingham's School Admissions and Fair Access Service Appeals in respect of voluntary aided and foundation schools, the King Edward VI schools, Ninestiles and Holyhead School should be sent to the Governing Body of the school(s) concerned. A comprehensive list of which schools administer their own appeals is available in the parents' information booklet and the School Admissions website.

9. Definitions

9.1. Looked After and previously looked after children

Children who are looked after or immediately after being looked after became subject to an adoption, child arrangement order or special guardianship order. This includes any child / young person who is subject to a Full Care Order, an interim Care Order, accommodated under Section 22(1) of the Children Act 1989, is remanded or detained into Local Authority accommodation under Criminal Law or who has been placed for adoption. Birmingham Local Authority's School Admissions and Fair Access Service will obtain names of all children who are looked after or will verify details for those applicants who indicate that their child was previously looked after, within the appropriate age range, from the Looked After Children Education Service (LACES). Places for these children will be considered in accordance with each school's admission criteria.

9.2. Siblings

Siblings (brothers or sisters) are considered to be those children who live at the same address and either:

- i. have one or both natural parents in common;
- or ii. are related by a parent's marriage;
- or iii. are adopted or fostered by a common parent.

Unrelated children living at the same address, whose parents are living as partners, are also considered to be siblings.

Children not adopted or fostered or related by a parents' marriage or with one natural parent in common, who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

Children who attend either a linked infant or junior school and will still be in attendance at the time of admission are considered as sibling claims.

Separate boys' and girls' schools are not considered to be linked for the purposes of sibling claims. All siblings must still be attending the preferred school at the time that admission is sought. For example for the September 2020 intake the sibling must still be attending in September 2020. Therefore; for entry into Reception Class children attending nursery class or attending Year 6 are not classed as meeting the sibling criteria. For Secondary Transfers children in Year 11 and Sixth Form are not classed as meeting the sibling criteria.

9.3. Distance measurements to schools

Distances are calculated on the basis of a straight-line measurement between the applicant's home address and a point decided by the school (usually the front gates). The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supplies the co-ordinates that are used to plot an applicant's home address and the address of the school. The measuring point for each school is specified in the online prospectus on the Birmingham City Council Website.

9.4. Tie-Breaker

In a very small number of cases where a school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the Published Admission Number for the child's year group to be exceeded, the Local Authority will use a computerised system to randomly select the child to be offered the final place.

9.5. Home Address

A pupil's home address is considered to be a residential property that is the child's only or main residence and is either;

- Owned by the child's parent(s), or the person with parental responsibility for the child;
- Leased to or rented by the child's parent(s), or the person with parental responsibility under lease or written rental agreement of not less than twelve months duration.

Evidence of ownership or rental agreement may be required, plus proof of permanent residence at the property concerned.

Parents who are unable to provide proof of permanent residence should contact a member of School Admissions and Fair Access Service to discuss providing other acceptable proof of address.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to satisfy the authority that the child lives at the address put forward by the parents. If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place will be withdrawn.
