John Murphy
Oasis Community Learning CEO
For over a decade Oasis Community Learning has been helping children and young people reach and realise their potential.

Born out of the Oasis global charity, previously established in 1985 by Rev. Steve Chalke MBE, our first Academy opened in 2007. It was Steve’s vision to open a school that was inclusive of all and provided opportunity for the whole community. Since then we have grown as a family into 49 Academies spread across the UK, each connected to a community Hub. We are proud to be one of the largest Multi-Academy Trusts in the UK.

We work in some of the most socially disadvantaged areas, but believe passionately in each of the communities we are based in. We know them to be places of great potential and are committed to their continual positive transformation.

This is made possible by the outstanding people who work for us - leaders with vision, determination and drive to raise standards. In fact we are securing better education across the group and closing the gap for our disadvantaged students each day through exceptional teaching and support. In just under three years our sustained improvement has seen the percentage of Ofsted inspected Academies attaining ‘Good’ or better rise from 30% to 80%.
Oasis’ Vision

The over-arching vision of Oasis is for community - a place where everyone is included, making a contribution and reaching their potential. As well as delivering first-class, innovative education, Oasis seeks to build ‘Hubs’ in the areas it works; creating safe and inspiring local neighbourhoods that provide integrated and diverse services to benefit the whole person and community.

Oasis Community Learning’s vision is to create ‘Exceptional Education at the Heart of the Community.’

The complex responsibilities of education are understood through the lens of Character, Competence and Community. These principles are intentionally developed and embedded in all of our Academies.

Together, Oasis staff aspire to:
• Create safe, stimulating learning environments
• Increase progress and attainment to above national averages
• Provide teaching quality which secures good and accelerated progress for all students

The Oasis Ethos

Our ethos is a part of everything we do. At Oasis we look to employ people who not only share in our vision but are champions of our ethos.

Welcome to Oasis Academy Hobmoor!

We are an over-subscribed 2-form entry primary school with a 78 place Nursery situated in Yardley, Birmingham. The Academy joined the Oasis family in September 2013, having previously been Local Authority run as Hobmoor Primary School. Our welcoming home was constructed in 2007 and provides an excellent learning environment. With our outdoor learning space we have been labelled an example of best practice within the Oasis family - something we are very proud of.

Our Academy is committed to delivering first class education and playing an active role in the local community. We currently 498 pupils on roll, 52% of which are eligible for Free School Meals and more than 80% speak English as an additional language.

Oasis Academy Hobmoor:
Transforming lives, learning and community.

In March 2015 we were graded as “Good” in all areas by Ofsted, with inspectors commenting that “The Principal, staff and academy councillors have an aspirational vision for the school. They have ensured it is a happy and rapidly improving place where teaching and achievement are good”.

Since the inspection we have continued to make good progress. There are strong standards in all phases and or progress scores at KS2 are in the top 20% nationally for Reading, Writing and Maths (one of only 10 schools out of 297 in Birmingham to achieve this), with 72% of our Year 6 pupils achieving combined RWM in 2017. We have been judged as Outstanding at our last two internal Oasis Reviews and are immensely proud our dedicated and loyal leadership team and hardworking and skilled teaching team. We are determined to achieve Outstanding in our next external Ofsted inspection, and are looking for a passionate and committed Principal to lead us on this journey.

We offer all our pupils a unique and inspiring curriculum. Our curriculum is innovative and goes far beyond the national curriculum to provide our pupils with the tools and skills they need to be successful in life. Our approach is developed from, and utilises, both national and international research, blended with the best evidence led techniques for successful, fun and innovative teaching and learning.

Our Academy is committed not only to its pupils, but also to the community in which it sits. We want our children to understand their role as part of their local community and as citizens of the world, appreciating and valuing the diversity of people’s different backgrounds and circumstances. We enjoy many positive links with our community and working closely with several local agencies.
Regional Support

Oasis Community Learning understands that each Academy is unique. Our Principals enjoy both individual autonomy and the benefits that come from being part of a regional and national family of Academies.

As part of the Oasis family of academies in the Midlands, you will enjoy the support and challenge of your peers and the Regional Director, who provide bespoke challenge and support allocated on a needs basis. You can expect high-quality, ongoing professional development. We share accountability and a determination to enable improvement within our Academies.

Oasis Hubs

Oasis subscribes to the widely held view that the factors that create disadvantages for children and young people need to be tackled in order to improve their life chances. The Oasis response is the creation of Oasis Hubs.

Developing and running Hubs is all about delivering the purpose of Oasis. Its vision is for community, a place where everyone is included, making a contribution and reaching their God-given potential. To this end Oasis staff are committed to working in an inclusive, integrated, empowering and comprehensive way so that all people experience wholeness and fullness of life. They want to see local communities that are characterised by trust, safety, cohesion, mutual support, vibrancy, health and opportunity, and have increasing capacity to address their own issues. Oasis want those who are excluded brought back into the community and to find wholeness and fullness within life.

The Academy is part of the Oasis Hub Hobmoor, a very active Hub offering a range of services to benefit the community. We offer accredited courses including ESOL and a Foundation degree and also offer support community members through our Food bank and Job Club. More than 1000 local residents access our services each week.

The Oasis Vision for Education
Exceptional Education at the Heart of the Community

OASIS’ AIMS:

Transform Lives - Every person matters and everyone is loved and valued.
Transform Learning - We have a passion for learning and we want everyone to achieve their full potential.
Transform Communities - We are committed to community development and the aim of all our work is to increase community cohesion locally, regionally, nationally and globally.

OASIS PHILOSOPHY OF EDUCATION
As an organisation, with a rooted Christian ethos, our philosophy of education is underpinned by three important Hebrew principles: Inspirational Leadership, Deep Learning and Healthy Communities.

Inspirational Leadership: Rabbi (my teacher; my guide; my role model; a term of respect)
Through personal example and strong relationships, all teachers are encouraged to be inspirational role models for their students. In this way, a teacher is not simply a purveyor of ‘knowledge’, dropping it into the minds of those they teach. Instead, they are communicating and bringing knowledge, wisdom and understanding through their words, actions and whole lives, helping students to reflect and think for themselves.

Deep Learning: Yada (to know; to see; to perceive; to understand; to experience; to have a relationship with) Gives students the opportunity to encounter and experience learning personally and relationally. It is never an abstract, theoretical or academic idea simply to be contemplated but, rather, primarily about gaining wisdom – the practical application of knowledge to every area of life. Life is not straightforward; learning from failure and mistakes and being resilient is an important part of it. It is hands-on learning throughout life which can only be obtained through on-going active, intentional engagement with it and with others.

Healthy Communities: Shalom (peace; completeness; nothing missing; nothing broken; well-being; wholeness) Seeks to ensure that every classroom encounter, each piece of curriculum planning, each assessment experience are all shaped, informed and delivered in the light of our desire for wholeness and well-being in the widest sense of the word; for everyone at every level of their lives – academically, vocationally, physically, spiritually, morally, socially, economically, environmentally and culturally.

THE OASIS OFFER
Underpinned by our values and beliefs, all our work is designed to ensure each student receives the very best educational offer. Oasis operates as a national family of Academies across four regions.

The regional teams provide standards leadership and a professional governance service.

The Oasis family of Academies is lead by empowered, and empowering, resilient leaders who through deeply held beliefs and values always strive to make decisions in the best interests of the students and their communities.

Each Oasis Academy has its own identity and purpose and serves the local community by working with it to transform learning aspirations and opportunities.

As a family, Oasis Academies work interdependently, benefiting from sharing best practice and inspirational pedagogy. Leaders and teachers build understanding of what is needed to secure the best possible sustainable outcomes for all learners.

Each Oasis Academy is committed to enabling children and students to become effective, enthusiastic, independent learners committed to life-long development.

Each Oasis Academy is dedicated to the task of working continuously in pursuit of excellence across all aspects of its life and work.
