Co-ordinated Services and Shared Facilities Budget 2018/19

1 Introduction

1.1 There are a number of services and facilities which are co-ordinated or shared by the West Midlands Joint Committee member authorities and which have a financial impact on their budgets. These are:

a) West Midlands Joint Committee Budget - there are a number of activities which are jointly funded by the West Midlands Joint Committee.

b) Other services and facilities which are funded by separate contributions from member authorities, namely:
   • Planning and Transportation - Joint Data Team, this will now pass to WMCA and will no longer be reported at WMJC
   • Pensions – this will continue to be collected by Wolverhampton detailed in Appendix C.

1.2 The key points of these various budgets are set out below for your information with further details provided in Appendices A to B.

2 Recommendations

2.1 The Joint Committee is recommended to:

Approve the West Midlands Joint Committee’s 2018/19 Budget and consequential member Authority contributions at 50% of prior year, as set out in Section 3 and in Appendices A and B.

3 West Midlands Joint Committee Budget

2017/18 Forecast Outturn

3.1 Appendix A attached shows the Budget and forecast outturn position for the current financial year.

3.2 When setting the Budget last year, a surplus balance of £40,313 was forecast to be brought forward from 2016/17. However, as reported to the Joint Committee on 30th June 2017, at year end, the actual surplus was £56,747, an improved position of £16,434 compared to the forecast assumed in setting the 2017/18 Budget.

3.3 For 2017/18, the Committee is forecast to incur expenditure of £116,206. This will create a surplus. The component elements of the Budget are:
a) Pensions: This is for the ongoing pension payments relating to when the Airport was wholly owned by member authorities.

b) Subscriptions: This is the cost of the subscriptions which allow nominated Members to sit on the Strategic Aviation Special Interest Group.

c) Finance and Administrative Support Services: This relates to the charge from Birmingham City Council for the cost of staff time and other associated costs for work carried out in relation to the Airport and for supporting this Committee.

d) Aeronautical Adviser: This is for aeronautical advice to the 7 West Midland Districts in relation to their shareholding in Birmingham Airport.

e) Miscellaneous: This is the cost of catering, photocopying, travel etc. for the Committee’s meetings.

3.4 The balance brought forward from 2016/17 of £56,747 has not been used and thus is still held in reserve. This projected surplus in 2017/18 will be carried forward to 2018/19 and can be used to reduce contributions.

2018/19 Budget

3.5 Appendix A also shows the proposed 2018/19 Budget for the Joint Committee. If the Committee approves the proposed Budget allocations, the 2018/19 Joint Committee Budget will be £136,000. The forecast surplus in 2017/18 of £186,557 includes miscellaneous one off income of £75,848.

3.6 Appendix B shows the level of contributions required from members. The contributions for 2018/19 are shown at 50% of the previous year as the reserves can be used to supplement this leaving a balance that can be used for any ad hoc items.

3.7 Appendix C shows the level of contributions required from members for the payment of previously agreed pension enhancements to former County Council employees who have no successor authorities.

4 Planning and Transportation - Joint Data Team

4.1 The Joint Data Team now has moved to the remit of WMCA and thus it budgets and outturns will be reported there.
5 Pensions

5.1 The West Midlands District Councils are jointly responsible for the payment of previously agreed pension enhancements to former County Council employees who have no successor authorities. Wolverhampton will continue to liaise with individual authorities on the details of current contributions required.

WEST MIDLANDS JOINT COMMITTEE - 12th January 2018

Report of Birmingham City Council and Dudley MBC District Advisers

BIRMINGHAM AIRPORT

1. Purpose of Report

1.1 To note actions taken under the Districts’ Side Agreement since the last Meeting of Joint Committee

2. Background

2.1 Under Section 5.4 of the Districts’ Side agreement, Joint Committee may arrange for the discharge of their functions by each of the Districts’ Chief Executives or anyone authorised by any District to act in the Chief Executive’s absence acting in consultation with the Chair or Vice Chair of Joint Committee

2.2 Since the last meeting of Joint Committee, approval has been given under Section 5.4 of the Districts’ Side Agreement to the issues set out below

3. Aeronautical adviser

3.1 Following an interview process, Sir Michael Hodgkinson was appointed in January 2009 as the 7 West Midland Districts’ aeronautical adviser in relation to Birmingham Airport.

3.2 It is felt that Sir Michael Hodgkinson provides important insight and knowledge and it is useful to have continuity of knowledge in the role. Approval has been given under Section 5.4 of the Districts’ Side Agreement to the re-appointment of Sir Michael Hodgkinson as aeronautical adviser to the West Midland Districts for a further 12 months until the end of December 2018 at a daily cost of £1,500 plus expenses. The estimated total annual cost is £18k plus expenses. Dudley Council has been given authority to prepare a letter of engagement to give effect to the appointment.
4. **District nominations to the Board**

4.1 Each of the Districts other than Birmingham (which nominates four persons) nominates one person to the Joint Committee for appointment to the Board. Directors need not be Councillors. The Joint Committee is required to observe the wishes of each of the Districts in respect of each appointment and removal, and wherever practicable to appoint Directors for a period of two years.

4.2 In June 2016, West Midland Joint Committee appointed the District Directors for a two year term of office ending with the Annual General Meeting of the Joint Committee in June 2018.
