## Birmingham Non-conformist Registers available on Ancestry.

The following non-conformist registers held at the National Archives are available to view on Ancestry. These are complementary to our own collection of non-conformist registers. To locate them use the Card Catalogue under Search on Ancestry Home Page by entering “non-conformist” in the title field. This will bring up the search page for the whole collection of “England & Wales, Non-Conformist and Non-Parochial Registers, 1567-1970”. The index to the collection can be searched or individual registers can be located using the “Browse this Collection” feature on the right hand side and digitized images of the original registers can then be viewed in their entirety.
