

26th January 2018

Important Customer information

CHANGE OF NAME

Dear Sir/Madam,

Keepmoat Regeneration has become a part of ENGIE, a leading energy and services provider. Our company name will be changing to ENGIE, with the Keepmoat brand ceasing to exist from 31st March 2018.

Our aim is to complete this process as quickly as possible in order to avoid any confusion, however, during this time; you may still see some of our employees displaying the Keepmoat logo.

If you are ever concerned about a visitor to your home who claims to represent ENGIE or Keepmoat, please call Birmingham City Council's contact centre on **0121 216 3330**, or our Birmingham office on **0121 206 2960**, and we will be more than happy to confirm their identity.

Our uniform, identification cards and vehicle livery will be changed to look like the examples on the following pages.

Please be assured that you will not experience any changes to your repairs and maintenance service during this period, and we remain committed to maintaining and improving the service we provide to you.

Repair requests should continue to be reported in the normal way using Birmingham City Council's contact centre number: **0121 216 3330** or website: www.birmingham.gov.uk/repairs.

We trust this provides you with an update regarding our rebranding, however, if you need any further information then please do not hesitate to contact us.

Yours Sincerely,

ENGIE

ENGIE Regeneration Limited
